The Jim Shaw's Aviation Career Education (ACE) Academy is an exciting week long program for Middle and High School Students focusing on:

- The theory of flight
- Aviation history
- Aviation careers

We also explore real world applications of aviation, including:

- Aircraft flight
- Radio-controlled aircraft
- Drone flight safety and regulations
- Aircraft design and construction
- Flight simulation

Our students will have opportunities during field trips to fly in a helicopter and an airplane with an experienced pilot to learn firsthand about practical aviation principles.
