

2025-26 Impact Report

Our Mission In Action

THE EAST GREENWICH BASKETBALL ASSOCIATION is an organization that promotes the sport among youth in East Greenwich by teaching fundamental basketball skills in a positive environment of sportsmanship and teamwork. The EGBA organizes youth basketball teams and leagues that enhance the quality of children's lives by promoting physical activity through basketball.

When a boy or a girl joins the EGBA, they are placed on an age-appropriate team. Teams play one game each week. Players of all skill levels will play on the league teams, and an equal playing time model for all players is utilized. Teams are fairly chosen with an emphasis on competitive fair play. Referees are provided by the EGBA.

The league season runs approximately 4 months with playoffs (league play starts early November). Practices and games take place in local gyms. Fundamentals are stressed. Coaching is provided by volunteers.

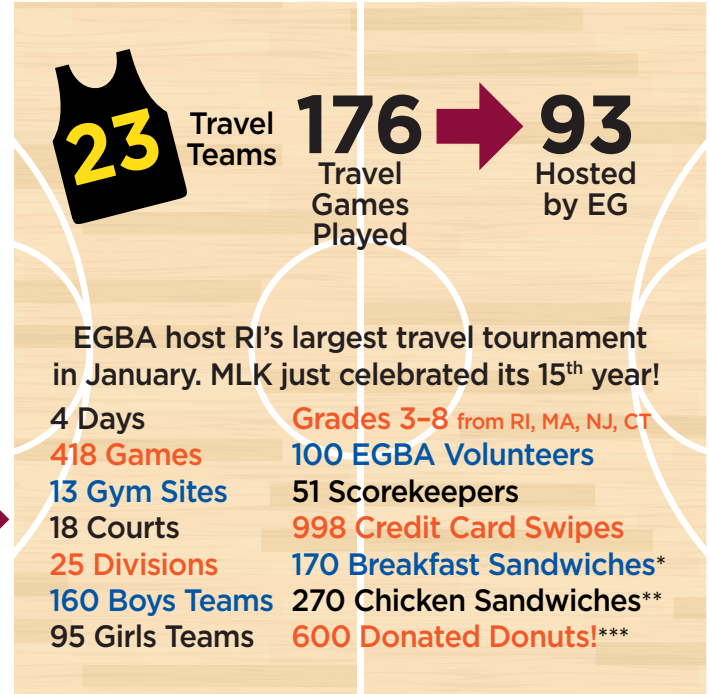

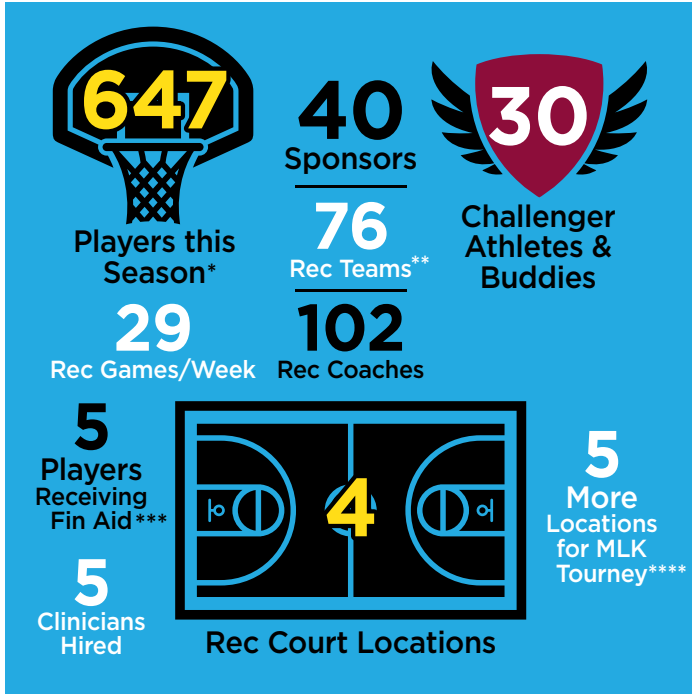

This organization was created to give every East Greenwich boy and girl a chance to improve their basketball skills by providing playing time, fundamental practice and games.

**Kids from
K- Grade 12
are eligible.**
