8:00 am: Weigh ins in Desotell Gym.

8:45 am: Coaches Meeting in multi purpose room

Coaches meeting will begin at approximately 8:45. We will be using the criteria set on track wrestling for seeding. As we done in the past, you will be able to assume losses to obtain the 10 match minimum.

Approximately 9:30 am: Wrestling Begins in Fieldhouse.

Wrestling will begin approximately 15 minutes after the conclusion of the coaches meeting.

Prior to Finals:

We will introduce the potential champion wrestlers by name on the championship mat. Other place matches should shake hands at that time.

Wrestling Set-Up:

Mats will be loaded 3 deep with wrestlers, please be aware that the first round may run very fast depending on the number of wrestlers in each weight class. We will be using a projector for assigning athletes to mats, (the same way we did it last year) I believe it was efficient and all kids knew where they needed to be when they needed to be there.

Weight:

There is not additional allowance at this time. If that changes, coaches will receive an email.

Awards:

Team trophy, medals to the top wrestlers in each weight class. Awards will be given out following the conclusion of the next weight class wrestled.

Admission:

Adults \$5.00 Students \$3.00. Passes will not be honored.

Free admission will be given to wrestlers competing, cheerleaders in uniform, coaches and students who serve as managers, staticians and video people. Coaches' wives will be granted free admission upon request.

Field House Rules:

Please have your athletes keep their coolers in the commons area. The Fieldhouse is a water only area. Your athletes will be asked to keep all other items out of the Fieldhouse.
