Thank you for all of your support of the club in the past and into the future!

Bridging the Old with the New

The Future is Here!
Welcome Aboard!

Construction Starting Fall 2020

Main Room & Exterior Renovation

The main room at the yacht club is in need of renovation/updating. The Renovation Committee has spent many hours crafting the concept. Our goal is to bridge the new addition with the old to create a harmonious atmosphere. The focus on the renovation will reflect the primary culture at the club, which is sailing. Second, it will bring the club to a level for all of us to enjoy now and for future generations.

We have budgeted and projected the cost of the renovation to be \$350,000. We are seeking membership support to fund the renovation project.
