Coach charged with killing ump after softball rhuarb

A rhuarb at a softball game in Greenville, S.C., ended with the umpire shot to death, another man nursing broken bones and a coach in jail yesterday charged with murder. Lt. Earl Barnett of the Greenville County sheriff's department said Willie Lee Spurgeon, 44, was arrested at his home and charged with murder in the slaying of Raymond L. Dawkins, 52. Barnett said the shooting broke out when an umpire made a "bad call" during a softball game Saturday night at Laurel Creek. "We don't understand what the call was or who it was against," Barnett said. Apparently an umpire, but not Dawkins, made a disputed call and an unidentified man ran onto the field with a knife. Spurgeon, who was in a dugout, pulled a pistol. A fight ensued, with shots exchanged. During the fight, Spurgeon himself was shot in the hip, and his pants fell off when the bullet hit him, authorities said. Meanwhile, someone attacked James E. Thompson, 36, with a baseball bat, beating him in the head and shoulders. Authorities said Thompson was playing second base and had pulled a gun during the melee.
