Parents,

If you plan to film your daughter during tournament games would you please upload the video to the correct playlist above. Each video should be the whole match against the team. Please make sure each match is separate and your not uploading the whole tournament as one film. Please enter the video in the correct playlist. When uploading the video please enter the following for the title of the video. Failure to do this properly may result in the video taken off the playlist.

Title should have the following and always in this order

- Date team vs tournament, location
- Ex. 8/9/18 17 silver vs NVL 17 Black @ AAU, Orlando

Any questions please feel free to contact:
