

For more than 40 years, **Danbury Youth Baseball (DYB)** has provided organized baseball opportunities to youth across the City of Danbury in an environment where children learn fundamental skills and develop a lifelong love for the game.

Each year, hundreds of local players ages **5 to 15** come together to build confidence, form friendships, and learn good sportsmanship in a safe, fun, and competitive setting.

Danbury Youth Baseball thrives through the dedication of our volunteers and the generous support of our local business community. As a non-profit organization, we rely on sponsorships to help offset the costs of equipment, player insurance, operational expenses, and field maintenance.

We invite you to partner with us in our mission to provide a safe, positive, and enriching experience for the youth in our community. Thank you in advance for your consideration and support.

Sincerely,

Sean Richardson
President, Danbury Youth Baseball
