## IRONMAN Athletes Show Their Appreciation!

It takes thousands of volunteers to bring IRONMAN athletes across the finish line every year. To show their appreciation, IRONMAN athletes may present you with a white IRONMAN Foundation wristband to thank you for your service through sport and commitment to community.

- Wear it.**
- Show it.**
- Feel The Love!**

### HOW IT WORKS:

Wear your wristband(s) and know that IRONMAN athletes appreciate you!

Volunteer Captains - share your wristband photos with your Volunteer Director and on Facebook, Twitter, & Instagram with #IMFVolunteer

The wristband has the words "IRONMAN FOUNDATION" printed on it in a small, dark font. The background is a soft-focus white with faint, repeating logos of the Ironman Foundation.
