WHAT SIZE STICK?

No exact science exists for choosing the correct length of stick. Players have different preferences based on their level of play and what feels best to them. We suggest selecting a length based on your height. Hold the stick at your side, the top should be 1-2 inches below your waist.

Height	Stick Length
4'0" and under	28"
4'1" - 4'3"	30"
4'4" - 4'6"	32"
4'7" - 5'0"	34"
5'1" - 5'3"	35.5" (35")
5'4" - 5'6"	36.5" (36")
5'7" - 5'9"	37.5" (37")
5'10" +	38"
