All potential scenarios depend on turnout for the tryouts and the numbers we are dealing with.

The open portion of the May 4<sup>th</sup> meeting will be used to meet with coaches and managers for the purpose of getting to know the board members, disseminating info, and answering any questions.

There was discussion of creating a handbook for managers to follow in regards to handling money, fundraising, communication, duties, expectations, etc.

Numbers went from 24 to 71 as the season progressed. If numbers remain high, we may need to consider a House League for Mites. People expressed interest in personalized jerseys for Mites. We will look into the cost of sublimated printed jerseys as an alternative to the Timbits jerseys.

Almost all borrowed equipment has been returned.

Sabres Learn to Play program is full and not accepting any more organizations.

## **NEW BUSINESS**

Coaching coordinator to attend WNYAHL meetings and Dir of HS Hockey to attend all HS meetings in future. Possible stipend to cover mileage.

Policy on team money – should there be a uniform policy on how money is spent and collected. Should it go through the Board for each division? It was decided that managers will still handle money, but will submit reports regularly to the Board to account for expenses, team balance, etc., much like a treasurer's report.

Storeroom at Copy Boy will be cleaned out the weekend of April 22-23. Nick and Isaac will head it up and all are welcome to assist.

Nowicki's petitioned to have Blake play up to 12U. It was decided that this would only be allowed in his capacity as a goalie.

Eddie Paluch resigned as registrar for the organization. The Board extends their thanks to Ed for his years of hard work and wishes him well.
