 - Suggestion to close bidding before the final set
 - Good to have varied level of price points
 - MN Wild package was a huge draw - look for more “experience” packages
 - More promotion during the game? Tough with youth night drawings every break, however

- Determine if BVB will volunteer for concessions at home games in 2026
- Staff Appreciation Night
 - Have been flexible the past two years on which schools athletes can nominate from but it is real time and energy for boosters to coordinate and execute. What should we do going forward?
 - Possible alternatives:
 - Cookie & thank you card laid out at the booster table for staff members to pick up during the game.
 - Champlin Park gave teachers Nothing Bundt Cakes at the game - maybe Blaine location would sponsor next year?
