Texas Tigers is enjoying its 1st season offering Sand Volleyball. Our beach program is designed to expose juniors to competitive doubles beach volleyball. Beach volleyball is an amazing tool for developing players all around skills; including hitting, defense and ball control.

Partners

This is an individual training program. We are emphasizing training girls as individual players in the Fall. Learning to play with different people is very important and we are going to use the Fall season to work on that, since teams are not preparing for any important tournaments. HOWEVER, if you have an established partner that you want to maintain, we do allow partner training.

Two times a week- \$875

One time a week- \$520.

Athletes from the previous summer season who keep their bag/ball receive a \$55 credit, making the cost \$820 (2x)/\$455 (1x) for returning players.

\$400 (2x)/\$200 (1x) deposit will be required at tryouts. The remaining balance will be due in 2 payments- Sept 20th and Oct. 18th.

FULL PRICE GEAR-

Sleeveless practice shirt, long sleeved shirt, ball, bag.

Athletes will be placed with different partners during practice for training purposes. However, if you have an established partner, we do incorporate partner training as well. In beach volleyball you could play the whole season with the same partner or you can have a different partner every tournament. You do not need a partner to try-out, but if you have one you would like to play with please come to try-outs together. Athletes will practice either one or two times a week. Teams will play in weekend tournaments locally as well as potentially California & Florida. We will recommend travel arrangements, however, all travel arrangements will be handled by you.

Our beach program is a building block for the future of the NCAA, the AVP & FIVB beach tours. NCAA conferences now offer beach as a full or partial scholarship to over 100 NCAA programs. The Texas Tigers Beach Program will continue to grow the sport, support our athletes and offer players a chance to play Beach Volleyball at any level they choose.
