Items to bring: Fold up/bag chairs (there will not be enough room on the bleachers for everyone).

Camera and phones!!! This is our second time doing a pep rally and we'd love to see all your photos and videos you take during it.

Starting at 6 pm the following tables will be setup for families to visit while the football players practice:

*Jersey sale. Previous season jerseys will be sold at discounted prices to use for practice wear or fan gear. Please bring cash only.

*Coach's change war-water dump. Bring your spare change to donate to your favorite coach's jar. The coach with the most change in his jar will get a cooler full of water dumped over his head. Anyone who donated to the jar of the winning coach gets to help dump the water.

*Fan basket bidding. The league has put together two baskets full of fan gear. Please bid on the basket throughout the night. The winning bidder will be announced the next day via facebook and contacted for payment to receive the prize.

*Window decals. Also at the fan basket table will be an order list if you'd like to order our window decals we had made last year through Fandangled. Decals say Lowell Youth Football or Lowell Youth Cheer and are \$5 each. Cash only please (if you need to pay via credit card order directly through Fandangled).

*Spirit table. Fans can get their faces painted by the Varsity cheerleaders throughout practice and during the pep rally.

At approximately 7 pm the rally will begin in front of the barn. During the rally we will have the football players make their big field entrance busting through their banners again, then they will play a few games with the cheerleaders for prizes. Cheerleaders will do some crowd response chants and help with the water cooler dump before wrapping everything up for the night.
