Dear Community Partner,

First, thank you for being such an active member of our local community and for your impact on it! Businesses like yours are what allow organizations like ours to continue to make a difference. Pinecrest Pilots Football & Cheerleading has a rich history. Founded in 1978, each athlete that has stepped on our field has learned the importance of teamwork, discipline, commitment, accountability, and sportsmanship. These values are the foundation of our organization and are displayed throughout our winning seasons.

Since our organization relies heavily on the generosity of businesses in our community, I am writing to ask for your consideration in supporting our 2024 program. Because we are a non-profit, any donations you provide are tax deductible. With your financial commitment, we can make the Pinecrest Pilots one of the best and safest programs our youth can partake in by providing safe equipment & facilities and sponsoring athletes who cannot make the financial commitment. Thank you for your generosity!

On the following pages, you will find the different sponsorship opportunities. Each one will outline the benefits your company will receive through your generous support.
