

## ***Wayzata High School Defensive Communication***

- Fly ball priority (who has rank?)
  - Private – pitcher
  - Corporal – catcher
  - Sergeant – 3B and 1B
  - Lieutenant – 2B
  - Captain – SS
  - Colonel – LF and RF
  - General – CF
- ball, mine for multi-player flies
- lining up cut man - left, right by # of steps, “good”
- nothing said means let it go through
  - \*cut is automatic on throws clearly offline
- 2, 3, 4 – say it three times minimum
- relay means bring it – intercept + throw to same base
- “cut” alone means cut and hold
- “cut-2” or “cut-3” means throw to new called base
- catcher should make initial call to a base
  - \*once called – base takes over communication
  - \*catcher will most likely call out changes
