

Blue Raider Junior Varsity Pre-Game Meal Plan

The L.D. Bell Blue Raider Football Booster Club provides an option for Junior Varsity players to purchase a pre-game meal plan that will cover the entire regular season (10 games). All costs for the meal plan are passed along directly to you from the restaurant. The Booster Club makes this available as a convenience to players and parents to reduce stress on game days and make sure our players are fed prior to their performance.

Meal Plan Information:

- Players receive a box meal around 3:00 p.m. on game days or distributed as schedules allow.
- Raising Cane’s Box Meal comes with 3 fingers, toast, fries & Cane’s sauce. (Drinks are provided and will typically be Gatorade, lemonade or water).
- If your player does not order a box meal, they may bring their own meal to eat prior to the game but **REMEMBER THAT PLAYERS ARE NOT ALLOWED TO LEAVE THE CAMPUS ON GAME DAYS AND PARENTS MAY NOT BE WITH PLAYERS BEFORE GAMES.**
- Players who do provide their own pre-game meals should keep it cool with an ice-pack in the locker or parents may drop off **BEFORE 5TH PERIOD** (please remember greasy food/sweets/dairy **ARE NOT** recommended)
- Please note that completing this pre-game meal plan form is not a team requirement and is provided as a convenience only.
