**Minimum Volunteer Obligations:** While the Tartans strive to balance minimal fundraising obligations with registration fees, I understand that each season the Tartans pay a significant sum towards field and facilities maintenance, lights, equipment purchase and refurbishing, etc. Apart from registration fees, I am aware that the Tartans only revenue source is a single league wide fundraiser. I understand that each enrolled player will be expected to sell or purchase the minimum required amount. I also understand that Tartan parents or guardians are expected to each donate *a minimum* of one shift (i.e.- chain gang, field set-up, or field tear down) at one home game *per enrolled player*. I have been advised that the dates will be announced by my Head A.D. I further understand that if I have a conflict with performing a game duty, date or time, it is *my* obligation to notify my Head A.D. *at least one* week prior to the assigned game and to arrange make-up work. *I understand that failure to comply with volunteer duties may result in fines, reduced playing time or both.*
