

## Roswell High School Volleyball 2019 Corporate Sponsorship Program

Help support the growth of Roswell High School’s volleyball program by being a Corporate Sponsor. Volleyball has become one of the fastest growing girls’ sports in the U.S. Your support will help RHS girls develop the skills to be a team player on and off the court. Sponsorship fees help cover costs for training, equipment, coaching stipends, officials’ fees, tournament fees, and more.

### Benefits to sponsors include:

1. Advertising exposure year round in the RHS main gym to thousands of local residents.

Multiple RHS sports teams, many area high school opponents, their families and fan bases will come through the RHS gym during the 2019-2020 school year. RHS will host the Regional Volleyball tournament this year which will provide added exposure to your business.

RHS events for entire student body and their families such as Freshman Orientation, Open House, TAG/AP night, musical performances, pep rallies, etc. all taking place or initiated in the RHS Gym.

Middle school visits from Crabapple and Elkins Point families, exposure from Jr Hornet sports/cheer programs using RHS gym with participants coming from Mountain Park, Roswell North, Sweet Apple, Hembree Springs, Vickery Mill and Mimosa Elementary Schools.

2. Customer loyalty to businesses that support their local community
3. Added exposure to your current marketing/advertising efforts at a low cost
