GOALS ON GEIST

AN ACADEMY 7v7 INVITATIONAL

COME FOR END OF SEASON FUN - THAT'S IT!

WHO?

We have only invited a handful of great Club friends that we feel are in line with the FairPlay mission of youth soccer. This mission is to provide competitive learning opportunities to empower players to become skilled and thoughtful leaders.

WHAT?

Goals On Geist is a one day, small-sided invitational offered in the heart of the state of Indiana. In this 7v7 event we focus on a fun atmosphere and helping the coaches best serve their teams.

We place teams according to the online evaluation at Registration as well as state or league rankings if available. This will offer good competition for all teams of all levels, especially in the post-season.

WHY?

We want to provide a low-pressure, end of season event that allow the players to compete in a fun environment. We mean low-pressure: we have a loud music, YELL-FREE games and players manage their own game with the guidance of a licensed official. will not cost families or clubs a fortune. Any proceeds go to the scholarship program for Power Soccer, a power wheelchair soccer league.
