

ONONDAGA VOLLEYBALL CLUB

Onondaga Volleyball Club Playing Time Guidelines

14U, 15U, 16U & 17U teams: The Onondaga Volleyball Club will try to ensure that all players participating receive playing time.

The playing rules for these teams are as follows:

- The coach will attempt to equalize playing time throughout pool play.
- If first place is at stake in the final match of pool play, the coach can play the players she/he feels can win the match.
 - Once the team enters single elimination bracket play, the coach should play the players she/he feels can win the bracket.

18U teams: Playing time is at the discretion of the coach.

Practices: Practices are mandatory for all age groups. **Players will be afforded one excused absence for the season.** Absences thereafter will result in the following playing penalties:

- One absence: Player sits one entire match at the next tournament.
 - Two absences: Player sits two entire matches at the next tournament.
 - Three absences: Player sits four entire matches at the next tournament.
 - Note: Penalty will be doubled if player or parent fails to notify coach of absence.
-

I have read and understand the above playing/absence guidelines/penalties.
