### MN Hockey Camps-

At MN Hockey Camps, we **Train for Success**. Each week of camp includes 32 hockey-related activities. This includes 15 hours of ice time in addition to dryland training, strength training, shooting/stickhandling, classroom sessions, a Saturday game, and on/off-ice testing, and coach evaluations. We offer boys and girls camps from 1 week to 9 weeks for mites to NHL.

Over the past 40 years, we have helped hundreds of athletes go on to the next level of hockey and life. We have become known around the world as a premier hockey camp and continue to grow. We are proud of our history and connections with local youth and high school players over the years and continue to offer camps to local players at a discounted rate.

If you have any questions or need assistance with registration, please don't hesitate to call me.

Regards,

Dan Germundson
