

NOTICE TO CONSUMERS:

PLEASE BE ADVISED, HECC has learned that Wall may be affixing HECC labels to its products that bear the expiration date of 4-2024. According to HECC's records the last products that Wall produced would have been in 2015 and therefore HECC certification would expire in 2022. If you purchased a Wall product with a HECC label affixed to it bearing an expiration date after 2022, please contact our legal counsel, Ryan W. Miosek at [RMIOSEK@MIOSEKLAW.COM](mailto:RMIOSEK@MIOSEKLAW.COM) or call (607) 282-4447.
