Google sheet being emailed. Please confirm everyone is accurate.

Paper awards have been created for everything, including All Star and 4 Year Players Trophies have been ordered.

Jerseys are in, and just have to be picked up. Stacey will meet Kirby on Saturday to get jerseys since he will be rushing in on Friday night from out of town. Lauree and Stacey will separate by team.

The award ceremony will be at 3:00, not on the ice. Ginnette asking Brandon if we can use the party room. Will announce Skills winners and All Stars, along with All State Team A and B, Rookie of the Year, 4 Year Players, Hobey Baker, Mr./Ms. Hockey, and Coach of the Year. Kirby also has Presidential Impact awards to present.

b. Tournament Update

Friday night: Palmetto All Stars, Skills, National All Stars

Beth has the radar gun and will confirm it's charged/new batteries.

Players should wear their team jerseys for the skills competition and change into their All-Star jerseys for the game.

TMs will work out sizes.

Team Red – Charleston Mariners, Holy City Rebels, and Ft. Mill forwards

Team White – Greenville Road Warriors, Columbia Fusion, Ft. Mill defensemen

Kirby will have a chat with the coaches to confirm that rules apply for the All-Star game – it's non-checking, let's have no suspensions. Could be impactful for the weekend.

The games this weekend could impact times for State, so should be able to confirm on Saturday.

GameSheet considers this a new season, so uploading rosters. Verify positions and players are correct.

Refs are booked and include refs outside of Charleston.
