

JANUARY PRESIDENTS REPORT

Happy New Year!

In an attempt to streamline the communication process within the AZYHL, the Tier committee will be renamed to the Hockey Operations Committee. This committee will have oversight of Tier I and Tier II as well as the AZYHL, and the members of the committee will include a hockey director from each association, and a few At Large members. This new structure will reduce the number of emails that have occurred in the past and make AAHA a more cohesive organization moving forward.

Arizona in cooperation with Utah and Idaho will be putting a girls team into the Americas Showcase Tournament. This team will be coached by our Girls Committee Chair Natalie Rossi. The team is asking for financial support for this tournament. The ask would be for \$3,000 at this time. The team is also asking Utah and the Rocky Mountain District for support.

The Rocky Mountain District Tournament will be held in Arizona at the conclusion Of the 19/20 hockey season.

2018 Dec Administrator's Report

With the holidays at the end of the month it has been a mixed bag... the first of the month was very busy with everyone trying to get everything in and done before the last two weeks of a lot of holidaying.

So for the month this is the brake down of activities:

- Entering scoresheets for AZYHL, Tier I and Tier II; reviewed, corrected and updated approximately 100 game sheets.
- Received from the State Registrar updated 1T Rosters, verified and made any necessary and/or appropriate changes to the on-line Rosters. This involves ensuring that the AAHA Commitment Letter has been filled and in a couple of cases that the Player Release form was filled out and properly signed.
- Created a News Article for the AAHA Recreational Hockey State Tournament (AZYHL) uploading the schedules for the 10U and 12U Divisions. The 14U's have participated as one league this year, but the Director's of Hockey Operations want to divide them into two more competitively equal Divisions for the playoffs. Once they have decided on those two groups the schedule for each will be announced and uploaded.
- Created and uploaded a News Article on the Concussion parodical, this was a video that has been create in cooperation with Banner Medical and ASU.
- Have spent considerable time, analyzing and suggesting changes to Article VII and Appendix B of the AAHA By-laws in preparation for presentation to the Board at the January Board meeting.

Those are the highlights for the month, but by no means all that was done. Every month there are number of issues that need to be addressed usually by email, but sometimes by phone and this last month was no different.

Bylaw and Policy Committee Report

January 2019 AAHA Meeting

Prepared By: Sherri Koshiol

Date: January 4, 2018

Vote #1: Delinquent Player List Section 8 of Policy Manual
(Revised wording for 8.3.3, as requested from Rick Carter, has been incorporated and all other changes remain as originally proposed.)

8. Player Eligibility

8.1 No player shall be rostered on any team or participate in any practice or game until he or she has registered with USA Hockey for the current season.

8.2 No player will be rostered with any Member Association if that player or his/her parent(s) remain indebted to any other AAHA Member Association and are delinquent with respect to any financial obligation. AAHA will maintain a list of Affiliate players who have not timely satisfied their financial obligations, irrespective of whether the obligation is owed by the player or his/her parent(s), to a Member Association or one of its teams. This list will be referred to as the "Delinquent Player List" (DPL).

8.2.1 Member Associations may add players to the DPL at any time during the current playing season by submitting the following documentation to the AAHA Executive Committee:

a. Player name

b. Date of Birth

c. Contact information of the player being added

d. Copy of signed Association contract or documentation evidencing the debt owed

e. Dollar amount owed to Association

f. Description of collection attempts/timeline and an explanation of the nature of the delinquency.

8.3 Upon submittal by a Member Association, the AAHA Executive Committee will conduct a review to ensure that the information and documentation required by 8.2.1 has been provided such that the submission is complete.

8.3.1 If all required information and documentation has been submitted to the Executive Committee, the player shall be added to the DPL once the submittal is accepted pursuant to 8.3.3.

- 8.3.2 If required information or documentation is found to be missing, the submittal will be returned to the submitting Member Association with a clear description of what is missing. The Member Association may cure the deficiency and resubmit to the Executive Committee for acceptance and placement of the player on the DPL.
- 8.3.3 Once the Executive Committee has received a complete submission, meaning that all information and documentation required by 8.2.1 has been provided by a submitting Member Association, the submission shall be deemed accepted and the subject player/parent(s) shall be presumed to be delinquent with respect to the financial obligation identified in the submittal. However, in the event that the Executive Committee determines that the submission is incomplete due to a failure to provide the required information and documentation, the submitting Member Association shall be immediately notified that the submittal will not be accepted until the deficiency has been cured. Once cured, the submission shall be accepted and the presumption of delinquency shall then apply. A submitting Member Association shall be liberally granted reasonable opportunities to cure any deficiencies in its submittal. Only that information and documentation required to be submitted pursuant to 8.2.1 will be required of any submitting Member Association and the Executive Committee shall not require any additional information or documentation other than as required by 8.2.1 as a condition of acceptance. The presumption of delinquency is rebuttable on appeal as prescribed herein.
- 8.4 Players added to the DPL may not participate in any activities for any team or Member Association (including the Association that caused the player to be placed on the DPL) until: (1) the involved financial obligation(s) is/are satisfied and the Executive Committee is notified by the involved Member Association to remove the player from the DPL; or (2) the player/parent(s) have successfully appealed or have secured a judgment or other final and binding legal determination establishing that no delinquent financial obligation exists.
- 8.5 Any player that has been listed on the Delinquent Player List and desires to move to another AAHA Member Association is required to obtain a full unconditional release from the Member Association to which money is owed.
- 8.6 Any player not listed on the DPL will be assumed to be in good financial standing and eligible for all USA Hockey activities.
- 8.7 The Arizona Amateur Hockey Association (AAHA) assumes no responsibility for contractual and/or financial agreements entered into between the players, their families, and each individual Association within the Affiliate. Responsibility at all times remain with the contracting parties.

- 8.8 Players/Parents wishing to appeal the addition of a player to the DPL may request an appeal hearing before the AAHA Executive Committee by sending a written request for an appeal hearing to the President of AAHA. The AAHA President shall schedule an appeal review within fourteen (14) calendar days of receiving the request. At such hearing, the appealing player/parent(s) shall have the burden of rebutting the presumption of delinquency by establishing that a good faith and reasonable dispute exists as to whether the involved debt is either owed or is in a delinquent status. Should the Executive Committee determine that such a good faith and reasonable dispute exists, the player shall be removed from the DPL and the contracting parties will be left to adjudicate the dispute as they so choose. The Executive Committee will not make a determination as to the legitimacy of the debt or delinquency, but only whether a good faith and reasonable dispute exists concerning same. No player shall be maintained on the DPL whereas such a dispute is found to exist. No player shall be maintained on the DPL while an appeal, either pursuant to this section or 8.9, is pending. However, during the pendency of an appeal by a player/parent(s) the involved Member Association will not be required to issue an unconditional release.
- 8.9 Players/Parents wishing to appeal the decision of the AAHA Executive Committee can request an appeal hearing before the entire AAHA Board. A written request for an appeal hearing shall be sent to the AAHA President fourteen (14) days prior to the next scheduled AAHA Board Meeting. The AAHA Board shall place the appeal hearing on the AAHA Board Meeting Agenda at their next scheduled meeting. The appealing player/parent(s) shall have the same burden as prescribed by 8.8.
- 8.10 A Member Association wishing to appeal a decision of the AAHA Executive Committee can request an appeal hearing before the entire AAHA Board. A written request for an appeal hearing shall be sent to the AAHA President fourteen (14) days prior to the next scheduled AAHA Board Meeting. The AAHA Board shall place the appeal hearing on the AAHA Board Meeting Agenda at their next scheduled meeting. The appealing Member Association shall have the burden of establishing that no good faith and reasonable dispute exists concerning the identified delinquency such that the player should be returned to the DPL.
- 8.11 The DPL will only be accessible to the Executive Committee and Association Registrars.
- 8.12 No Member Association shall allow a player (who is listed on the DPL) to sign an AAHA Commitment Letter for said Member Association and/or otherwise participate on a team from said Member Association without proper release from the prior Member Association that caused the player to be placed on the DPL, or until the player has otherwise been removed from the DPL. Any Member Association in violation of this rule will be referred to the AAHA Disciplinary Committee for action which may include disciplinary action and/or a fine of up to \$1000 per violation.

Vote #2: Clarification to Section 9 of the Policy Manual

(The Board voted to incorporate changes to this section at the last meeting. Those changes have been incorporated and reflected below. Additional changes from Rick Carter are proposed in blue for the Board's consideration. Minor grammatical revision in red.)

9. Player Commitment and Release Letters

9.1 The AAHA Board will provide AAHA Commitment letters and Release letters for use by Players, Parents and Associations for all AAHA Registered Tier I (AAA), Tier II (AA) Travel teams, A House/Rec and B House/Rec teams.

9.1.1 The AAHA Commitment Letter commits a specific Member Association and a specific Team to a specific player and further, the specific player to a specific Member Association and a specific Team for one playing season.

9.1.2 The commitment letter shall not be viewed as part of, or party to any contract or financial agreement required of players by individual Associations.

9.1.3 The commitment shall expire at the conclusion of the USA Hockey National Tournament for Tier rostered players and at the conclusion of the AAHA State Championships for House/Rec rostered players.

9.1.4 All players are required to sign AAHA's Electronic Commitment Letter for their respective Association in order to participate on that team as defined earlier in this paragraph.

9.1.5 In the event that a Member Association does not sign the minimum number of players (House/Rec: 11 players or as noted in 10.9.7, Tier II: 14 players or as noted in 13.3.3.3.e, Tier I: 15 players or as noted in 13.2.4.3.d) to field the team that the player signed an AAHA Commitment Letter to play for, then the Member Association must offer the player(s) the option of being unconditionally released from their AAHA Letter of Commitment and receiving a refund of any monies paid to the Member Association, other than tryout fees, or offer the player(s) the option of signing with another team within that Member Association in lieu of an unconditional release.

9.1.6 The AAHA Commitment Letter shall be signed electronically by the custodial parent(s) or legal guardian of any player under the legal age of 18 or by the player if they are of legal age AND by an agent authorized by the Member Association to make commitments on behalf of the Member Association. ~~Per Arizona law, after signing the AAHA Commitment Letter, Player/Parent have 3 calendar days to rescind.~~

9.2 Commitment Letters are an electronic process that may not be offered or signed prior to the AAHA established tryout dates for each travel level

of each playing year. Any team within a Member Association shall have no more than eighteen (18) skaters and twenty (20) total rostered players, including goalies, signed to AAHA Commitment Letters at any given time.

Upon electronic completion of the AAHA Commitment Letter, the state will compile a list of all completed electronic Commitment Letters and provide a list of such to Member Association Registrars showing their committed players.

- 9.3 Each Member Association shall be responsible for providing an electronic list of all players by team to the AAHA President or designee for posting to the AAHA website on or before August 1st.
- 9.4 Players/Parents may only be committed to one Member Association (through completion of the AAHA Commitment Letter) at a time. There are two exceptions to this rule whereby players may be committed to more than one Member Association: 1) Girls – as allowed by the USA Hockey Annual Guide and 2) Players playing in Arizona high school hockey and house leagues.
- 9.5 After the Commitment letter is signed by all the parties, a player may move to another Member Association prior to the completion of USA Hockey's National Tournament only by obtaining a signed AAHA Release Letter, completed by the Player/Parent and obtain an "approval to be released" signature from the Member Association to which the Player/Parent previously committed. The Member Association to which the Player/Parent is requesting the release from shall respond to the AAHA Release Letter request within fourteen (14) calendar days from receiving the request.
- 9.6 The Player/Parent shall present the fully executed AAHA Release letter to any different Member Association prior to participating in any tryout(s), practice(s), or game(s) with any different Member Association. A copy of the AAHA Release Letter must be sent via email to the AAHA President and AAHA State Registrar in order to update the team roster thereby finalizing the release process.
- 9.7 If the AAHA Release Letter request is not approved by the original Member Association, the Player may not participate in any tryout(s), practice(s), or game(s) with any different Member Association until an approved AAHA Release Letter can be obtained from the original Member Association.
- 9.8 A Player/Parent wishing to appeal a denial of release may request an appeal hearing before the AAHA Executive Committee by a written request for an appeal hearing along with a copy of the denial Release request to the President of AAHA. The AAHA President shall schedule an appeal review within fourteen (14) calendar days of receiving the request.
- 9.9 The AAHA Commitment Letter is wholly unrelated and independent of a Member Association's requirements, if any, of the Player/Parent to sign any specific Member Association contract(s) including but not limited to

a financial commitment contract other than as noted in 9.1 above.

- 9.10 As the AAHA Commitment Letter is wholly unrelated and independent of any financial obligation or contract entered into between an individual Member Association and a player/parent(s), appeals from any denial of a release will be considered solely related to the AAHA Commitment Letter process and governing rules unless the denial is based in whole or in part upon the allegation that a player is delinquent with respect to a financial obligation. To the extent that the denial by a Member Association to issue a Release is based upon an allegation of delinquency on a debt owed, all determinations and appeals related thereto shall be governed by the protocol set forth in Section 8 herein, meaning that no player will be denied a release if it is determined that a good faith and reasonable dispute exists concerning the legitimacy of the alleged delinquent debt.
- 9.11 A Player/Parent of Member Association wishing to appeal the decision of the AAHA Executive Committee can request an appeal hearing before the entire AAHA Board. A written request for an appeal hearing shall be sent to the AAHA President ~~requesting the hearing~~ fourteen (14) days prior to the next scheduled AAHA Board Meeting. The AAHA Board shall place the appeal hearing on the AAHA Board Meeting Agenda at their next scheduled meeting.
- 9.12 Any Player/Parent or Member Association may appeal any aspect of the AAHA Commitment Letter process according to the USA Hockey Appeals process as published in the current Annual Guide. Violations of these policies may result in a Player, coach or Member Association being brought before the AAHA Disciplinary Committee.

Arizona Amateur Hockey Association
Disciplinary Report
December 2018

The Discipline Committee met on Tuesday December 18th and Tuesday January 8th.

December 18, 2018 – 3 hearings

1. A player from the Gilbert Adult league received a match penalty for a 601(f1), deliberate physical assault to any game official. The Disciplinary Committee agreed after reviewing videos and hearing testimony from the player and official that the penalty was a correct call. The Committee assessed a suspension of one year from date of infraction.
2. A player from the Peoria Adult league received a match penalty for a 634 (c), swinging a stick during an altercation. The player swung his stick at another player hitting him. The video was reviewed by the Committee affirming the penalty. The player received a 2 month suspension.
3. A player from the Chandler Adult league received a match penalty for a 607 (e), charging. The player charged at another player from behind and cross checked him causing the player to go down on the ice. The video was reviewed by the Committee affirming the penalty. The player received a suspension from December 8, 2018 through January 4, 2019.

January 8, 2019 – 2 hearings

1. A player from the high school league received a match penalty for 627 (b) kicking. After reviewing videos from three different angles the Committee determined that the player did not kick or make an attempt to kick the player who was on the ice in front of him. The player received no suspension from the Committee.
2. A player from the Arizona Bobcats was given a match penalty under rule 602 deliberate injury to an opponent. Upon gathering all the information it was determined that the player receive a penalty under rule 410 supplementary discipline. This was determined since the player was serving a one game suspension when this infraction occurred. The infraction happened off ice in the vicinity of the locker room. The player directed profanity at the opposing player and then punched him in the face causing bleeding and swelling. The Committee assessed the player a 60 day suspension.

This concludes my report for December 2018.

Respectfully,
Bruce Urban, Disciplinary Committee Chair

- The 2018-19 has virtually the same number of officials completed registered as the 2017-18 season did at this point. The difference is that a larger number of officials in the current 2018-19 season are complete at Level 3 while fewer are complete at Level 1. This is most likely due to the change in USA Hockey policy where returning officials are required to register at Level 2, 3, or 4 (as appropriate) after their 2nd year with USA Hockey.

Tier Meeting

December 20, 2018

Oceanside Ice Arena

Meeting was called to order at 11:30am

Present: Geoff Pashkowski, Bruce Urban, Tim Rezell, Brad McCaughey, Justin Rogers, Leeor Shtrom, Marc Fritsche, Jeremy Goltz, Kurt Goar, Kenny Corupe, Joth Jacobson via phone.

Mite discussion. Marc feels that the mites should fall under the Tier Committee. The discussion continued to include all other divisions.

The Committee voted to have all divisions and age groups fall under the Tier Committee and be renamed the Hockey Oversight Committee to include all travel hockey. The Mite and AZYHL would remain as a scheduling committee.

Motion by Ken second by Brad. Unanimously approved.

Tier II / AHSOA

Scheduling conflict. To set up playoff weekends for high school in 2020 to avoid conflicts with Tier II. To be done possibly in July. Two weekends after MLK for high school playoffs. Teams will do rescheduling to the best of abilities in order to meet requirements for this year.

Player Development Camp

Do we still need two weekends for 15's? The Committee feels that if there are enough players that the two weekends remain.

There was some discussion on checking at the Bantam and midget levels. There will be discussion at the upcoming USA Hockey mid-winter meeting. Geoff, Bruce and Tim will bring back information from that meeting and discuss it with the Committee at its next meeting on January 30, 2019.

Meeting adjourned at 12:45pm

OCEANSIDE ICE ARENA

AAHA Meeting

Jan 14, 2019

Adult Hockey Committee Report

Coyotes Summer Classic Adult tournament is scheduled for June 21-23, 2019. Jon at Coyotes is very close to confirming that Gila River will have ice in for the tournament. Will know for sure very soon. Coyotes rookie camp starts the week after so it appears it won't be an issue putting it in 1 week early for tournament.

AAHA/AHRA Officials Committee Report

In collaboration with AHRA the committee is working on the following:

Scorekeeper accountability: Committee is specifying minimum requirements for an acceptable scoresheet.

Terms and conditions: In addition to the AHRA Rate sheet AHRA is working on a "terms/conditions" sheet that specifies how certain situations like "no-shows" are invoiced and how officials are held accountable for creating these situations.

Committee plans to present both of these items at next meeting.
