Team Texas High School Showcase Team will compete in the 2019 [America's Showcase](#), April 11<sup>th</sup> through 15<sup>th</sup>, 2019, in St. Louis, Missouri, as a continuation of a tradition established over thirty-three years ago.

This prestigious Showcase is designed to allow high school hockey players from around the country, who do not traditionally get scouted due to geographic and budgetary constraints within the scouting circles, the opportunity to compete against the best of the best during a five-day period and be seen by every major hockey institution in North America. Players from past teams have been exposed to coaching and scouting and fielded offers from many different levels of advanced teams – from colleges to juniors.

This April, 24 boys' teams from across the United States representing 43 States will compete and showcase their talents to scouts from all over the North American Continent.

During the year, our Team Texas coaches have been scouting players throughout Texas. This is an “Open” Tryout and we encourage all players who are currently enrolled and playing high school hockey in Texas to try out. The Showcase Tournament, is sponsored by USA Hockey and supported by the Texas Amateur Hockey Association (TAHA); is open to players who are currently playing high school hockey, currently a High School Junior and or Senior from across the state.

There will be two (2) tryouts skates to determine the final America's High School Showcase Team Texas. Check [TAHA](#) website for updates.
