

Payment Options & Refund Policy

Chance Consulting Services Inc. has a mandate to ensure all competing teams continue to receive the highest value in terms of their hockey experience in each of our managed tournaments. Although we have experienced steady year-over-year increases in costs relating to ice bookings, referees, and timekeepers, we have gone above and beyond to limit the impact of these additional costs in the registration fee of our managed tournaments.

In the end, our registration cost of **\$2,350 including GST** (plus processing fee's) in conjunction with our new early bird pricing as well as our new payment plan options, will help ensure that we not only maintain, but exceed the standards that teams expect from the tournaments that we manage.
