10/7/24	Directors Reports	Marc H. Megan V.	<p><b><u>MARC- GOALTENDING REPORT for OCTOBER</u></b></p> <p>Casco Bay Goaltending is off to a good start with our first skills practices. Jillian Flynn is coaching the 10u and 12u sessions (with me) and I'm running the 14u session. Noelle Giroux is prepared to start working with the Mariners Girls program. Once our "House" programs hit the ice we will be getting John Wallace, Toby Farrington, Jeff Haley, and myself involved as on-ice goalie instructors.</p> <p>GDS Elite training started the week of September 28th and we've already lined up six "Shooters" for our Friday night sessions. Thanks to Matt Lambert, we've offered them a small stipend and some CB "swag" if they attend 10 or more sessions (out of a total of 11 or 12).</p> <p><b><u>MEGAN- TIER IV REPORT (10U, 12U, 14U)</u></b></p> <p>Evaluations start up next week and jerseys should be in this week.</p> <p>10U- We have 68 registered players with seven goalies and 13 registered coaches. I did finally get 5 head coaches to commit, and we have 1-2 assistant coaches per team. We will have 5 teams for 10U.</p> <p>12U- We have 56 registered players with three full time goalies and 2 split goalies. I am struggling with coaches for this division, we still need one more head coach in order to have 4 teams.</p> <p>14U- We have 27 registered players and three goalies. We have six registered coaches. Only one person has committed to being a head coach but there are three coaches per team so that can be ironed out later.</p>
