Kevin McDermott >> VARSITY HEAD COACH

Coach McDermott was a 1994 graduate of Burnsville High School and went on to attend Viterbo University. While at Viterbo he played 2B/3B and helped lead the V-Hawks to their first ever NAIA Midwest Regional in 1998. After the completion of his playing career at Viterbo, he served as an Assistant Coach/Recruiting Coordinator for his alma mater from 1999-2001 where the team made a second appearance in an NAIA Regional. After leaving Viterbo, he spent 2 seasons as the Baseball Administrative Assistant at the University of Illinois at Chicago helping the Flames reach their first ever NCAA Tournament in the 2003 Stanford Regional. Rounding out McDermott's baseball experiences prior to Woodbury; he had spent 9 years as a lead instructor at the University of Minnesota Baseball Instructional

School, 2 years as the Head Coach of the Burnsville Cobras American Legion baseball team, 1 summer as an assistant with the Mankato Mashers of the Northwoods League, and was an assistant coach for the USA Baseball Tournament of Stars in 2003, where he coached 3 MLB first round draft picks, including two that played numerous years in Major League Baseball. In the 2003-04 school year McDermott landed a Social Studies/Physical Education teaching job in Woodbury and began as an assistant coach for the Royals, helping lead the team to its first ever MSHSL State Tournament that year and advancing to the state finals before finishing runner up. In the 2008 season, he became Co-Head Coach of the Royals with the late great Wayne Dietz, and from 2009-present has been the head coach of the Royals Baseball program. In 2016, the Royals reached their second ever state tournament and finished 3rd and in 2017 they reached their 3rd state tournament and finished 4th place. Beyond coaching baseball at WHS McDermott served as the head JV/assistant varsity coach for the boys' basketball program from 2005-2016, in which the program made 4 appearances in the State Tournament. McDermott currently resides in Rosemount with his wife, Kelly, and four children; Ireland (12), Keagan (9), Kinley (7), and Kallen (5).

Ben Johnson >> VARSITY PITCHING COACH

Coach Johnson joined the Woodbury Baseball staff as the varsity pitching coach in 2009, where he continues to serve today. Ben has been an integral part of the Woodbury pitching staff setting numerous program records and helping lead the Royals program to back to back state tournaments in 2016 and 2017. In 2017, Coach Johnson was honored with the Minnesota State High School Baseball Coaches Association (MSHSBCA) Rob Fornasiere Assistant Coach of the Year Award and in 2018 he was named as a coach of the MSHSBCA East Metro All Star Series team. Prior to Ben's coaching career he was a 1997 graduate of Galesville-Etrick-Trempealeau High School in Wisconsin where he was a standout basketball and baseball player. He continued his education and baseball career as a left handed pitcher for Viterbo University from 1998-2001. During his 4 years at Viterbo, Ben helped lead the V-Hawks to two NAIA Regionals, including the Regional Finals in his final season. Upon graduation from Viterbo, and following 9/11 he enlisted in the United States Army, where he served as a Paratrooper in the 82nd Airborne Division. Coach Johnson has taught as a Social Studies teacher and coach at Simley High School since 2004. Ben is married to his wife, Kristin, and they reside in Rosemount with their 2 children; Kendall (9) and Brady (6).

Coach McDermott Thoughts: I am so extremely lucky to have a pitching coach that I have 100% trust in and has been with me from the beginning at WHS. Ben is great with our pitching staff, but he also brings a ton of overall baseball knowledge, energy, attention to detail and a desire to be great to our program in all areas.

A MESSAGE FROM THE HEAD COACH

On behalf of the Woodbury High School Baseball Staff, I would like to welcome you to the 2020 baseball season. The staff and players are very excited to write another chapter of Royals Baseball. This year's group is once again chasing greatness and looking forward to building on the foundation and traditions set by those who have come before us. It is our goal to make everyone associated with Woodbury Royals Baseball proud; not only of our accomplishments on the field, but also of what we accomplish in the classroom and in our community.

Our players and program have so much to be proud of. It is with that pride that our players will strive every day to be the best they can be; on every pitch, every play, every practice, and every day on and off the field. We hope our core values of family/togetherness, positive energy, and GRIT; along with our preparation and determination will help us compete at our highest level each and every day.

To those who have supported us in the past and to those who are supporting us now, to our sponsors, our community, our administration, our families and friends, we say **THANK YOU!** We would not be here if it weren't for you.

WIN THE NEXT PITCH!
GO ROYALS!

Kevin McDermott
Head Coach

#GOROYALS

"It is our goal to make everyone associated with Woodbury Royals Baseball **PROUD**; not only of our accomplishments on the field, but also of what we accomplish in the classroom and in our **COMMUNITY**."

Justin Feldkamp >> VARSITY ASSISTANT COACH

Coach Feldkamp is a 2003 graduate of Woodbury High School and the Royals Baseball Program, playing under legendary head coach Wayne Dietz. Justin played collegiate baseball at Augustana University where he graduated in 2007. He was the head coach of the Woodbury Legion baseball program from 2007-2011, and has coached within the Woodbury High School program since 2008. Feldkamp has served as the varsity 3rd base coach and IF/OF defense coach since 2014. Coach Feldkamp's extensive knowledge, work ethic and energy are contagious and he has been a huge part of the Royals program's growth and successes and a vital piece to our 2016 and 2017 State Tournament teams. Justin is a Physical Education/DAPE teacher at Lake Middle School; and lives in Denmark Township with his wife, Abbey, and 3 kids; Lucy (9), and Tate (7), and Margo (3).

Coach McDermott's Thoughts on Justin: Coach Feldkamp brings a tremendous amount of pride, dedication, and positive energy to the WHS Baseball Program. He does a great job working with our kids on both the physical pieces of the game, but more importantly on the mental side of the game. His mental edge and positive attitude are contagious, and we are so lucky to have him in our program!

Ryan Knutson >> VARSITY ASSISTANT COACH

Ryan Knutson graduated from Prairie Farm, WI High school in 1994. He was a three time all conference pick and All-Northwest as senior. He left having the school record batting average (.521) in 1994, and he was also an All-Conference basketball and All-state football player. Went to UW-Eau Claire and Winona State. Ryan has played with the Durand Mustangs, Elmwood Expos, and Ellsworth Hubbers of the St. Croix Valley League as a catcher since his college days. He coached baseball for U-14 and U-15 AAA WYAL teams in 2001-2002, and currently coaches his son's ERAA teams during the summer months. Coach Knutson has coached football and basketball in the Woodbury programs since 2000. In 2013 Coach Knutson joined the WHS baseball staff and has been a huge addition

as our head JV coach and a varsity assistant coach. He lives in Woodbury with his wife, Shannon, and two children, Ava (15) and Parker (11).

Coach McDermott's Thoughts on Ryan: Coach Knutson has been a great addition to our WHS Baseball staff. Ryan brings positive energy and does a great job of getting the best out of players, in turn making them better in the process. Kids love playing for Coach Knutson and he does a great job working with our catchers and as our head JV coach and Varsity assistant.

Wes Bolin >> SOPHOMORE COACH

Coach Bolin grew up in Minneapolis and played high school hockey at Minneapolis West, graduating in 1978. He played college hockey at Wisconsin-Eau Claire, graduating in 1983, and earned a master's degree in Teacher Development from Marian College in 1994. Prior to joining the Royals, he coached 3 years at Hallock High School and 18 years at Fond du Lac (WI) High School leading the hockey program to 8 Section Championships along with being the assistant coach of the 2000 state championship baseball team. Coach Bolin joined the WHS Baseball staff in 2017 as the head sophomore coach and has been the head hockey coach for the Royals since 2004-2005, leading that program to its first ever state tournaments in 2007 and 2008. His attention to detail and ability to connect with kids and get them to achieve at a high level has been a huge asset to the Royals baseball program.

Wes has been married to his wife, Patty, for more than 35 years. They have two daughters, Heidi, and Lindsey and two grandsons (James and Leo). In addition to coaching baseball and hockey at Woodbury High School, he teaches Social Studies.

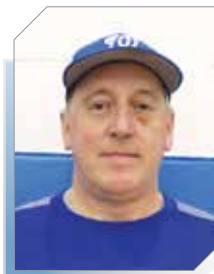

Coach McDermott's Thoughts on Wes: "We are so lucky to have Wes as our Sophomore baseball coach. Not only does Wes have a lot of experience with the game of baseball, but more importantly he has great overall experience coaching and leading kids. Wes is highly organized, pays great attention to detail, and knows how to motivate and develop players as competitors and people."

Scott Pape >> SOPHOMORE ASSISTANT COACH

Coach Pape is a 2014 graduate of Woodbury High School. Scott was involved in a variety of athletics while at WHS including football, hockey, and baseball. Upon graduation, he attended Iowa State University where he worked for 3 years for the Iowa State Football Team as a Student Assistant Coach. Through this, he got great experience with culture and program development at the Division 1 level. After college, he pursued a career in high school teaching and coaching. Scott brings more than 5 years of coaching experience in a variety of sports including: varsity football, legion baseball, and high school basketball. He brings a great deal of knowledge in hitting, infield, and catching as well as relationship building and team culture. He currently works as a 9th and 10th grade social studies teacher in District 833 at both WHS and ERHS.

Coach McDermott's Thoughts on Scott: We are super excited to have Coach Pape back at Woodbury and part of our Royals Baseball coaching staff. Scott's ability to connect and build relationships with kids and teach the fundamentals of the game will be a huge asset to our lower level student athletes and our program as a whole.

Tim Kiemel >> FRESHMAN A COACH

Tim is a 1982 graduate of Woodbury High School and the Royals Baseball Program. In 1982 Kiemel was an All Conference player and also selected to the Lion's All Star Series. Tim has followed in his father's footsteps as he was the head coach of Harding High School for 38 years and is a MSHSBCA Hall of Famer. Tim has 28 years of baseball coaching experience himself, mainly as an assistant coach at Park High School. This will be Coach Kiemel's 5th year coaching in the Royals Baseball Program as the 10th grade head coach. Tim is currently a Physical Education teacher at Lake Middle School.

Coach McDermott's Thoughts on Tim: We are very excited to welcome Tim back home to WHS and our baseball program. His wealth of experience and knowledge in the game of baseball has been a huge asset to our 9th graders and our WHS program overall.

Nick Gehrt >> FRESHMAN B COACH

Nick is a 2016 graduate of Woodbury High School and was an all-conference performer in 2015 and 2016 for the Royals along with being the teams 2015 Quality at Bat Champion. In 2016 Nick helped lead the Royals to the schools second ever Baseball State Tournament, finishing in 3rd place. Nick went onto attend college and play baseball at Trinity International University and has since transferred to UW-River Falls.

Coach McDermott's Thoughts on Nick: We are very lucky to have Coach Gehrt working with our 9th graders. He brings a tremendous amount of knowledge in the game of baseball, but more importantly in our program. On top of his knowledge Nick brings a great deal of positive energy and is a great culture guy to bring back into our program.
