PYA CODE OF CONDUCT FOR PARENTS

As a parent of a PYA player, I will:

- Remember that children participate to have fun and that the game is for youths, not adults.
- Be a positive role model for my child and encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all players, coaches, officials and spectators at every game or practice.
- Not engage in any kind of unsportsmanlike conduct with any official, coach, player, or parent such as booing and taunting; or using profane language or gestures.
- Address the head coach with any concerns about playing time or any other matter regarding the team or my child in a timely and respectful manner-never right before, during, or right after a game and never in front of others.
- Teach my child to play by the rules and to resolve conflicts without resorting to hostility or violence.
- Demand that my child treat other players, coaches, officials and spectators with respect regardless of race, creed, color, sex or ability.
- Teach my child that doing one's best is more important than winning. Emphasize skill development and practices and how they benefit my child over winning.
- Praise my child for competing fairly and trying hard, and make my child feel like a winner every time. Never ridicule or yell at my child or other participants for making a mistake or losing a competition.
- Respect the officials and their authority during games and will never question, discuss, or confront coaches or officials at the game field.
- Refrain from the use of drugs, tobacco, and alcohol at all PYA sports events.
- Do my best to make sure my son/daughter makes all scheduled practices and games and notify my coach if my son/daughter is going to be late or miss practice or a game.
- Set an example by abiding by all PYA rules, policies and procedures including all traffic safety policies.

Violations of the PYA Code of Conduct for Parents are subject to suspension or expulsion from the PYA program.

As the parent or guardian of the above-named player, I am familiar with his/her wishes to participate in your sports program. I am aware that with participation in sports programs comes the risk of injury to my child and that this increases in contact sports such as football and lacrosse. I have had the opportunity to understand the risk inherent in such athletics. In addition, I am aware that participation in sports activities will sometimes involve travel to or from an activity or event. I acknowledge and accept the risks inherent in such athletic participation and the travel involved. With this knowledge in mind I grant permission to my son/daughter to participate and travel.

I assume all the risks and hazards incidental to the conduct of such athletic activities and hereby release, indemnify and hold harmless PYA, Its Officers, Directors, Coaches, Members, Consultants, Supervisors, Managers, Employees, Sponsors and any person transporting my son/daughter to or from any activity scheduled or arranged by PYA. I also agree to conduct myself properly and in accordance with the PYA code of conduct with the understanding that any improper conduct on my part may jeopardize my or my child's participation.

I consent to any emergency medical treatment of my son/daughter and hereby assume responsibility for payment for such treatment.

I have read the above and understand and agree with it. Signature of Parent or Guardian: _____ Date: _____
