LET'S GO TORNADES!

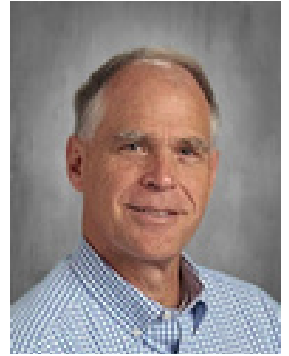

Welcome to the 'Home of the Tornadoes'! Your support is important to our athletes, the hockey program and Anoka High School. It's going to be a competitive and exciting season! I am very appreciative of head coach Ted Mitshulis

and staff who have returned for year three and have a great system in place. We compete in a very tough conference, but the team is pumped to play!

Thank you also to our Anoka Hockey Boosters for all the wonderful work they do each day to support our team and coaches. Our season could not be possible without their hard work.

Please show your Anoka High School spirit and be respectful of all. The numbers on the scoreboard don't always go our way, but I ask everyone at the game to support our coaches, student-athletes, referees, visiting coaches, players, and fans in a positive manner, win or lose. Good luck to our Tornado hockey team and coaches today!

Michael D. Farley, Principal

The Activities department welcomes you to the 2024-25 Anoka High School Boys Hockey season. We're excited to see Coach Mitshulis and staff showcase a program that everyone can rally around with enthusiasm and pride! While

playing competitively is important, the objective of our athletic department is to teach discipline, accountability, dedication, teamwork and integrity; attributes that we want all our student-athletes to have.

As you enjoy the game today, please be positive towards the officials, teams, and coaches. We all have the same goal – to be the best we can be! Thank you also to the parents for your continued support. Your commitment benefits the team, the coaches, and the program. The years go by fast, so cherish every second of the ride.

We wish Coach Mitshulis and the Anoka Tornadoes all the best this season!

BAGGING BLITZ

Each player on the Anoka High School Boys Hockey team covered a two-hour shift at Cub Foods in Riverdale on Sunday, November 24, 2024.

On one of the busiest shopping days before the Thanksgiving holiday, players bagged groceries for hundreds of customers who came through the checkout lines.

Many customers showed their support for the team by making donations. Parent volunteers and coaches assisted with the bagging process. The entire team is grateful to Cub Foods for making this bagging day possible and allowing the team to supplement its fundraising efforts each year.

LOCKER ROOM REFRESH!

Thanks to generous donations from both the Anoka Area Hockey Association and the Anoka Area Ice Arena, the boys and girls high school hockey programs were able to refresh their locker rooms!

This included freshly painted interior walls and decals, a door wrap to the entrance of the locker rooms, and door wraps on both locker room doors.

In the boys locker room, a large 'Flaming A' rug was added to the floor, along with LED lighting, new TV screens, a new whiteboard, a new couch and a metal tornado cutout.

ANOKA HOCKEY HISTORY

According to Craig Torbenson, the author of "Tornado Magic," the first mention of hockey in Anoka was the 1935-1936 season. The program's first year in the Minnesota State High School League was 1953-1954 and the team was coached by **Charles Bauer**. The program purchased 'used' uniforms from St. Paul's amateur hockey team. During this time, there were no youth programs in Anoka.

Coach Jim Alley is considered the true father of Anoka Hockey. In 1954, the Anoka Hennepin ISD 11 superintendent, Morris Bye, hired Alley as a teacher and a hockey coach. When Alley was hired, Anoka had one dimly light outdoor rink, where Sorenson Rink is now located, with poor ice and splintered boards. The prospects were even more challenging when Coach Alley called his first player meeting and realized that few players had decent skates and none of them had played organized hockey. Needless to say, the team lost heavily, but learned along the way. Coach Alley pleaded with the school district and the city to construct several outdoor rinks with lights. Outdoor rinks were constructed at Sorenson, Lincoln, Franklin, Champlin and Wilson. He then went to work on developing a youth program that would feed the high school program. He was also responsible for purchasing all equipment for the youth and the high school programs along with raising money to purchase the equipment and some indoor ice at either Aldrich Arena or Wakota Arena. Coach Alley successfully built the Anoka Hockey Program because of his passion and vision for the game. Alley coached at Anoka High School from 1954 through the 1963 season.

In 1964, **Joe Poole** took over the program and guided the Tornadoes for 12 seasons. Coach Poole recorded 133 wins and 94 losses.

After Coach Poole stepped down in 1977, **Terry Abram** took over for two seasons. Coach Abram recorded 24 wins and 17 losses during his tenure as the Tornadoes coach.

Mark Kristo was hired and stayed on for one season, 1979-1980, and was 14 and 7. **Jack Peterson** was hired to coach the Tornadoes after several successful state championships in the Anoka youth program. Coach Peterson guided the Tornadoes to their first state tournament bid in 1985. The 1985 Tornadoes captured third place in the state tournament. Coach Peterson coached for eight seasons and had a record of 124 wins, 63 losses and 2 ties.

Greg Rajenan stepped in after Coach Peterson and guided the Tornadoes to a fifth place finish in the 1990 state tournament. Rajanen was the Tornadoes coach from 1989 until 1993 and posted 71 wins, 51 losses and 2 ties.

In 1994, **John Birrenkott** took over the program and recorded 88 wins against 39 losses and 5 ties. Coach Birrenkott guided the Tornadoes to back-to-back state tournament appearances in 1997 and 1998. In 1997, the Tornadoes won the consolation championship, and in 1998, the Tornadoes lost in the state championship game against Duluth East 3 - 1.

In 1999, **Todd Manthey** took over the hockey program. Manthey coached the Tornadoes for 18 seasons and posted a record of 217 wins, 206 losses and 12 ties. In 2003, Coach Manthey's team was crowned the state champion in boys hockey. **It was the first boys state hockey championship in school history.** Coach Manthey led the Tornadoes back to the state tournament in 2016.

Jerrid Reinholz coached from 2016 to 2021 and now **Coach Ted Mitshulis** will keep the Tornado traditions going strong.

STEP IN. STEP UP. STAND OUT.

"There is incredible value in being of service to others." - Elizabeth Berg

On Saturday, December 14, 2024, the Anoka High School Boys hockey team spent the morning volunteering at the Anoka County Brotherhood Council (ACBC) Food Shelf in Anoka.

Serving residents of Anoka County and surrounding communities, the nonprofit organization provides food, clothing and resources to families in need.

The boys worked hard sorting and bagging hundreds of produce items for an upcoming holiday event offering free food and toys to more than 1,100 families.

We thank this great organization for allowing our team the opportunity to work together for a good cause and give back to the community.

Try Hockey for Free/Mini Cyclones

The boys are also giving back to the 'hockey' community in big ways. Team members volunteered during the 'Try Hockey for Free' sessions and they also help with the Mini Cyclones program which gets young skaters on the ice and introduces them to hockey.

Youth Mentorship Program

This season, members of the Anoka Boys Hockey team are participating in a mentorship program with the Anoka Hockey Youth Association. Players are paired with a youth player and the two will participate in events together and attend each other's games.

DID YOU KNOW?

The history behind the Anoka Hockey flame actually dates back the Civil War! The flame logo came from the Atlanta Flames, a professional hockey team based in Atlanta, GA, from 1972 until 1980. The team was named the Flames in homage to the burning of Atlanta during the American Civil War. The team was later sold and became the Calgary Flames, but not before team leadership granted permission to Anoka youth and high school hockey to use the 'Flaming A' logo!
