Welcome to IRONMAN Australia and IRONMAN 70.3 Port Macquarie and to the spectacular Greater Port Macquarie region, an outstanding event destination and a favourite of the IRONMAN Oceania team. We thank Destination New South Wales and Port Macquarie-Hastings Council for their continued support of this great event that allows us to return to this spectacular location each year.

The 2019 edition of IRONMAN Australia will continue to include both a full distance IRONMAN, and a half distance IRONMAN 70.3 on the same day to complete an exciting race day schedule.

Port Macquarie-Hastings Council continues to provide incredible support to our event and over the past few years have completed an overhaul of the Town Green finish line area, made significant improvements to paths and lighting through Westport Park and have begun to make improvements to some of the road surfaces and other pathed areas to ensure we have a great course available for our athletes. We thank Port Macquarie-Hastings Council for their continued support.

All athletes will continue to receive a restaurant dining voucher at registration which will give you the chance to experience the amazing selection of dining options from an array of local restaurants.

The Awards Ceremony and After Party will continue the same format as in 2018 with a Monday afternoon function. We have continued to adjust the event schedule to make the event fresh and different each year and are continuing to make the event more welcoming to all friends and family.

We’ve kept the venue and courses very much the same for 2019 and following the success of 2018s minor change we’ve kept the Swim Start at the Westport Boat Ramp. We are looking forward to delivering another safe and successful race. Port Macquarie provides an ideal set up for a free-flowing event that athletes from all over the world can come to enjoy.

The IRONMAN Oceania team work hard to make this event happen, and we are lucky to have the support of the Local Organising Committee to put this event on each year. They provide amazing support in not only helping to deliver the event, but also recruiting and managing over 2000 Volunteers which is an outstanding achievement. Please make sure to take the chance to thank as many volunteers as you can throughout the event.

I wish you all the best of luck with your final training and preparation, and please feel free to stop me for a chat during race weekend, any feedback athletes can give regarding the race is most welcome. Enjoy your race day, and I look forward to seeing you all cross that finish line.

Cheers,

Jake Eaton
Race Director
On behalf of the Port Macquarie-Hastings community I’m honoured to once again welcome all IRONMAN competitors, families and supporters from across the globe to our beautiful piece of paradise.

This year’s event is shaping up to be the biggest one yet with more than 4,000 competitors expected to take part in a jam-packed weekend of Bright Night Runs, IRONKIDS and IRONMAN events.

It never fails to amaze me just how talented and driven IRONMAN athletes are. It can be hard to imagine anyone, no matter how much preparation they have done, being able to overcome such an intense test of physical and mental ability.

It takes someone very special with a burning desire to compete in this race that requires an incredible focus, unwavering determination and much sacrifice — you are all simply amazing!

We love IRONMAN in Port Macquarie, and we look forward to you all visiting our beautiful region, and taking the chance when the racing is said and done, to enjoy our beautiful place.

From relaxing in your hotel pool, taking a drive up to Comboyne through our region’s stunning hinterland or treating yourself to a few cheat meals in our popular café’s and bars – I encourage you all to take some time out with family and friends, kick back and enjoy.

Whether this is your first race or you’re a sucker for punishment returning once again, all the best and good luck. Though you won’t need luck — you’re prepared, you’re ready and now’s your time to shine!

Peta Pinson
Port Macquarie-Hastings Mayor

Welcome from the NSW Government

On behalf of the NSW Government, welcome to Port Macquarie for the 2019 IRONMAN Australia and IRONMAN 70.3, one of the Oceania region’s leading and most enduring, triathlon events.

A highlight on the NSW events calendar, the inspirational race is set to impress, attracting participants from all over the world who will compete in one of the most spectacular and scenic courses in Australia.

Attracting visitors to regional NSW is a key priority for the NSW Government, and that’s why we’ve set the State’s first regional tourism target so that all communities reap the benefits from the record dollars being invested.

The NSW Government is proud to support this event via its tourism and major events agency, Destination NSW, and is committed to supporting a variety of events to help achieve our goal of reaching $55 billion in overnight visitor expenditure by 2030.

While you’re here enjoying the race, be sure to make the most of your time in this beautiful region by exploring the wonderful beaches, waterways, national parks, and restaurants.

I wish all participants the best of luck.

The Hon. Stuart Ayres MP
Minister for Jobs, Investment, Tourism and Western Sydney
To minimise the possibility of infringing the rules on race day and avoiding a visit to the Penalty Box, please observe the following:

- Ride on the left side of the bike lane
- Keep 12 metres between yourself and the cyclist in front of you – front wheel to front wheel
- Pass on the right of the cyclist in front (never on the left)
- Complete your pass within 25-seconds
- If passed, drop back immediately 12 metres and ensure you have dropped back the full 12 metres before re-passing

Triathlon is an individual race and it is your responsibility to fully understand the rules and avoid infringements. A Technical Official's ruling is final in the case of Drafting, Blocking, and Illegal Pass infringements (Judgment Calls) and these are not subject to either protest or appeal. Following are the most common rule infringements:

Blue Card 5-minute Penalties include:
- Drafting – Following a leading cyclist closer than 12 metres and failing to pass in 25 seconds OR after being passed, failing to drop back 12 metres before re-passing
- Illegal Pass – Passing on the left
- Littering - Discarding items, e.g. tyres, bidons, gel wrappers etc., on any part of the course except within designated litter zones near aid stations.

A Technical Official will advise you of any time Penalty by calling your number, advising you of the nature of the infringement and showing you a BLUE Card. It will be then your responsibility to serve the 5-minute time Penalty(s) at the next Penalty Box.

Yellow Card Stop Start Penalties to be served at the next Penalty Box include:
- Blocking – Riding on the right side of an athlete without passing or riding on the right-hand side of the bike lane when clear of other athletes.

Yellow Card Stop Start and Correct Penalties include:
- Helmet – Failing to have your chin strap securely fastened when moving with your bike.

NOTE: that any 3 infringements across the course during the event may result in a Disqualification.

Other infringements which may result in Disqualification include:
- Offensive and unsportsmanlike behaviour,
- Public personal toilet,
- Outside assistance (from anyone other than a race official),
- The use of electronic equipment including telephones, including the use of earphones or other communication devices.

Always remember to treat other athletes, volunteers and officials with courtesy and consideration as they are important in keeping the event safe and fair.

I sincerely hope you have a great race, enjoy the experience, and achieve your IRONMAN goals.

### TIMING CHIPS

You will collect your Timing Chip and confirm your identity with the timing personnel at the exit of Bike Check-In. At this stage you will re-confirm your information and ensure that your race number matches your timing chip. **All athletes will also be asked to confirm their number of race finishes at IMAUS.** Please ensure you put your Timing Chip in a safe place and remember to have it with you on race morning.

- Timing Chips must be worn on your left ankle.
- On race morning, your timing chip must be on to enter Transition. Officials will be checking this.
- If you do not start the race or pull out of the race for any reason, please return the Timing Chip to one of the Drop Out Clerks located at Information or if unable to reach this location to Event Personnel.
- If your Timing Chip is not returned or is lost, you will be charged $150AUD for a replacement.
- Timing results will include swim split, bike split, run split and finish time—overall and category results.

If Timing Chips are not worn throughout the duration of the race, race results will not be available to that athlete.

If a Timing Chip is lost during the race, you will need to inform Event Personnel in Transition, so that timing providers can do their best to replace that chip in order to record splits for the rest of the race. It is recommended you wear the strap supplied with the Timing Chip, using an alternative puts you at risk of losing the chip during the race. Lack of timing data may affect validity of category results & World Championship qualifications.

RACE DAY SERVICES

Medical

Basic first aid is available throughout the event week. If you require medical attention, we recommend that you visit Information or seek the assistance of the Event Personnel.

Medical staff will be situated in a variety of positions on race day. These locations are as follows:

- Swim Start
- Swim Exit
- Transition
- Roaming Bike & Run Course
- Finish & Recovery

Basic first aid support can also be obtained at the Bike and Run Aid Stations.

It is strongly advised that you have adequate personal insurance regardless of whether you are an Australian resident or from overseas. We highly recommend that Australian residents hold valid private health insurance and that international athletes check with their travel insurance or personal insurance provider to confirm what they are covered for.

Under Australian legislation, all non-Australian residents are not covered for medical costs or ambulance transport costs. If you have an accident, you must pay for your own medical expenses and transport. Hence it is recommended you obtain adequate personal medical insurance or travel insurance with the relevant coverage.
**Sag Wagon**

The Sag Wagon will collect athletes who are unable to complete the event or are unable to finish within the course cut-off time. Collected athletes will be transported to the closest Aid Station or back to Transition/Finish Line.

Should you require a Sag Wagon at any time, please wave down a motorbike official and they will contact Event Personnel for Sag Wagon deployment. Alternatively advise volunteers at the nearest Aid Station.

Please note delays in Sag Wagon transport are expected. To assist with a prompt response, please do not move from your reported location once a Sag Wagon has been requested as this could affect their ability to locate and transport you.

**ATHLETE RACE BIB NUMBER**

Wearing your race number bib is compulsory for the Run Leg only. Your number must be clearly visible.

Upon entering the finish line, turn your bib to the front. This will ensure manual timers at the Finish Line can clearly see your number. You must not fold, cut or manipulate your race number in any way.

**ATHLETE TATTOOS**

**Race Number Tattoo**

Wearing your race number tattoo is **compulsory**.

- **Where:** Your race number must be displayed on your **right bicep** with the MDot logo at the top.
- If you are wearing a long sleeve or short sleeve Tri-Suit, place the race number tattoo on your right forearm.

**Category Letter Tattoo**

- **Where:** Your category letter tattoo must be displayed on your **left calf**.

**Best way to apply your tattoos**

The tattoos can be easily applied by peeling the clear film off, placing the number face-down on your body, firmly pressing the paper side with a damp cloth or sponge, holding for 60 seconds and gently peel back the paper.

I still managed to 'mangle' my tattoo:

In the case your tattoo becomes faulty please see the Information staff who will be able to assist by writing your number/letter on with a permanent marker.

Any athlete who registers online after 11.59pm, 7 April unfortunately will not receive a Category Letter in their Race Kit. Please see Information on Race Morning as we can write the Category Letter on with a permanent marker.
