

Dear 6U and 8U parents,

Thank you for your continued support and dedication to our program during this unprecedented time. The Renegades are excited and eager to be a part of the Chicago United Hockey League (CUHL) for the second year. The CUHL, which is an AAU backed league, is formed by clubs local and near to our home ice arenas. These clubs include Wilmette, Hoffman Estates, Vernon Hills, Park Ridge and more.

There are some changes that you will see to the Full Ice Program:

1. Games will run September through March (NWHL ran December through March)
2. Total game count will be 15 games for 8u and 7u (NWHL game count was 12)
3. Fall season includes a tiering round, to fit teams in competitive brackets
4. Games will be scheduled during the week

Our Mite full ice teams are categorized within our Renegade Plus program. We will be placing our two 2012 Plus teams and our 2013 Plus team in the travel division of CUHL. We will also expand the Plus program to the older 6U players as well, by placing a 2014 team in the CUHL house division. As in the past, all players on these teams will still participate in our USAH ADM program of cross ice practices and games. Mite Full Ice is an add-on program for our more competitive players. Our goal is to give our players the best possible development while keeping hockey affordable and geographically friendly.

Registration for these teams will only be available on-line. Players must be registered for the Renegades ADM program (6U or 8U Mites) in order to register for the Plus teams. You can go to the Renegades Plus program page on our website for more details.

****Please understand that as we carefully monitor the Covid-19 pandemic, our organization and staff is prepared to modify and even postpone seasonal play if advised by the state of Illinois, USA Hockey, or AHAI. The safety of our players, families, and staff is of the utmost importance.***
