

BLAINE BOYS HIGH SCHOOL HOCKEY

Dear Bengal Alumni and Hockey Supporters,

My name is Trevor Frischmon, I'm the current head coach of the Blaine High School Boys Hockey program. On behalf of all the Bengal Hockey Coaches and Boosters, I write to you in hope of gaining your support for our Hockey program. As a Bengal alumni myself, I'm very passionate about carrying on the rich tradition of success and community service the Bengal Hockey program has been accustomed to. I know the support and generosity of Alumni and the Blaine Community plays a huge part in our success!

Public support and donations are vital to ensuring Blaine High School Hockey Players get a rewarding and memorable experience. **Our biggest fundraising event is the upcoming Golf Tournament on July 23rd, 2026, at Majestic Oaks Golf Course in Ham Lake, MN.** The Majestic Signature course is a great golf tournament venue and is a fan favorite. The location is tough to beat for all us Bengals. We would be thrilled and **greatly appreciative to gain your support** by your participation in a round of golf with us and by helping us find generous sponsors who are willing to make the donations necessary to achieve our goals for this season! All contributions will be going directly to our operations budget which pays for player equipment, apparel, assistant coaches, travel expenses, coaching tools, and all other miscellaneous costs associated for this upcoming season.

We took another positive step this past season in our pursuit of reaching our overall goal of competing in State Tournaments and winning championships. The Bengals earned the number 2 seed in section 5AA with a record of 15 wins, 8 losses, and 4 ties. Unfortunately, the season ended with a tough 1-0 loss in the section semifinals. Looking ahead to the 2026/27 season, we have a tremendous core group of experienced, talented seniors and juniors coming back, as well as some promising young talent coming in trying to earn their spot. Next year's Bengals are already projected to be a top 10 team in the state once again. We continue to pride ourselves in playing some of the best teams in the state and the 2026/27 schedule may be one of the toughest we have had in the past 5-10 years. We are excited about the bright future we see for this group of players who are driven to work hard to get back to the top! I was fortunate to be a member of the 2000 Bengal State Championship team, and it is my goal to bring that experience to all these great Blaine Hockey Players.

I thank you for your consideration in helping the Blaine Boys Hockey program. We hope that you can dig deep and help us achieve the goals we have set to ensure the best experience possible!

Respectfully yours, Trevor Frischmon
Boys Hockey Head Coach
