

ADULT PROGRAMS - TERMS & CONDITIONS

ADULT TEAM INFORMATION

WHAT IS A RETURNING TEAM?

- A returning team is a team who has a minimum of 5 players who have played in any previous BWT Season and **each player has a unique numbered Basketball World Toronto grey/black jersey.**
- Any duplicate jersey numbers by returning teams are responsible for purchasing a new jersey with a unique number on our BWT Store Page at the players cost. BWT will not exchange jerseys with duplicate numbers.

WHAT IS A NEW TEAM?

- A new team is a team who has never played in a BWT season before.

HOW MANY PLAYERS CAN PLAY ON A TEAM?

- There is NO maximum number of players who can play for each team. However, each player is required to have a current season BWT jersey to play. If you would like to add additional players per team, you can, but you must purchase additional jerseys for each player, or the team must share a jersey (only 1 player can use one jersey during a single game- i.e. no duplicate numbers). Otherwise, the only other way to add more than the maximum number of players is for players to alternate the games they play in and share a jersey.
- **Please note** - during one game, a player cannot share a jersey with another player.

TEAM REGISTRATION & DEPOSITS

- Please note that if registration for any league/division exceeds the available space, only teams who have completed their registration online & paid in full will be placed in a lottery for one of the last available spots.
- BWT will use their best judgment to fill divisions based on first come first serve basis. If a division is full, BWT may be required to move a team to a different division. **Please note - no guarantees of specific times, locations, days of play can be made but BWT will do its best to provide the specific times, locations and days of play as soon as possible. However, BWT reserves the right to make changes as needed to any teams, division, game time, day of play and location if needed.**
- Once the Registration Deadline is reached, it is the team's responsibility to make the required payment of the league fees. If the required payment has not been received by the Payment Deadline, the team's spot in the league can be lost, the deposit or any partial payments will not be refunded and the spot will be given to any other paid teams that are on a waiting list.
- Any team will continue to be considered a Returning Team if the team pays the proper amount by the proper deadline. If any Returning Team who has does not have the required number of BWT jerseys (as noted above) will be required to pay the difference between the Returning Team and the New Team fees by the deadline, otherwise late payment charges may apply.
- Please note that teams who have not paid the correct amounts by the Registration Deadline are not eligible for any discounts, promotions, special offers etc.
