

2.1.21

ZYSA is both humbled and honored to be announced as one of only four 5-Star Clubs (in the state), as recognized by Indiana Soccer Association. We are very proud of our holistic, competitive long-term development model and vast program offerings available to players residing both inside and outside of Zionsville, ranging in ages from u5 to u19.

We recognize that it takes an immense effort and unwavering support from community partners and boosters, the executive board, leadership team, staff coaches, players, and families to implement, sustain, and grow an overarching vision that is centered on holistic youth development through the game of soccer.

It is validating that the extensive ZYSA family of ours be recognized for what we have built to this point in time, as well as the plans and supports we have in place for continued growth of the game ... Thank you Indiana Soccer Association!

More information on the 5-Star Club Program can be found by visiting the Indiana Soccer Association website at [5 Star Club Program | Indiana \(soccerindiana.org\)](https://www.soccerindiana.org/5-Star-Club-Program)
