Introduction and Definitions

Introduction

Grand Junction Hockey Club is committed to improving the skill development, the safety and the welfare of our athletes. The SafeSport Program is designed to provide clear guidelines and expectations for all players, coaches and organization members on:

1. abuse or misconduct prevention strategies
2. appropriate behavior
3. effective response to concerns

Unfortunately, youth sports can be a place where misconduct, including child physical and sexual abuse has the potential to occur. This GJHC approved document will provide the guidelines for appropriate behavior in hopes that the risk of abuse will be minimized. These measures, while aimed at protecting youth, also serve to better protect adult coaches and volunteers.

Definitions

Child, Children, Player, Athlete, Minor and Youth

Anyone under the age of 18

Child Physical Abuse

Abuse or Child Abuse or Neglect means an act or omission that threatens the health or welfare of a child in one of the following categories:

- Skin bruising, bleeding, malnutrition, failure to thrive, burns, and fracture of any bone, subdural hematoma, soft tissue swelling, or death and:
 - The condition or death is not justifiably explained.
 - The history given concerning the condition is at variance with the degree or type of such condition or death.
 - The circumstances indicate that the condition may not be the result of an accidental occurrence.
- A controlled substance is manufactured in the presence of a child, on the premises where a child is found, or where a child resides.
- A child tests positive at birth for either a schedule I or II controlled substance, unless the child tests positive for a schedule II controlled substance as a result of the mother's lawful intake of such substance as prescribed.

Child Sexual Abuse Child sexual abuse involves any sexual activity with a child where consent is not or cannot be given. This includes sexual contact with a minor that is accomplished by deception, manipulation, force or threat of force regardless of whether

there is deception or the child understands the sexual nature of the activity. The sexually abusive acts may include sexual penetration, sexual touching, or non-contact sexual acts such as verbal acts, sexually suggestive written or electronic communications, exposure or voyeurism.

Emotional Abuse

The terms 'abuse' or 'child' abuse or 'child neglect' include any case in which a child is subjected to emotional abuse. 'Emotional abuse' means an identifiable and substantial impairment or a substantial risk of impairment of the child's intellectual or psychological functioning or development.

Misconduct

Conduct which results in harm, the potential for harm or the imminent threat of harm. Age is irrelevant to misconduct. There are six types of misconduct in sport: emotional, physical, sexual, bullying, harassment and hazing.

Peer to Peer Sexual Abuse/Misconduct

Approximately 1/3 of all child sexual abuse occurs at the hands of other children and the obligation to report extends to peer-to-peer child sexual abuse. Peer-to-peer sexual abuse covers sexual activity between children without equality or as a result of coercion, physical force, threats, trickery or emotional manipulation to elicit cooperation. There can be an aggressor, age difference or an imbalance in power or intellectual capabilities.

Grooming Behaviors

Grooming is the process of desensitization that predators use on children to prepare and trick them into accepting sexual abuse. Grooming is a way for the perpetrator to gain trust and confidence and draws the victim into a secret sexual relationship. Grooming can include but is not limited to: targeting a victim, isolation, meeting the child's needs, giving a child special attention, buying gifts and having power and control over the child.

Electronic Communication Guidelines

GJHC understands that social media is a popular communication tool for players, parents and coaches. GJHC is also aware that social media is a venue where inappropriate behavior and misconduct can occur. The risk associated with social media include: inappropriate access, sharing personal information, bullying, unwanted and unsupervised contact between adults and children, receiving unwanted material, online grooming for sexual abuse or actual unlawful sexual exploitation.

Failure to comply with CAHA SafeSport Program or USA Hockey SafeSport Program guidelines can result in disciplinary action. GJHC has a zero tolerance rule when it comes to player safety and preventing abuse and misconduct

Texting, Email and Similar Electronic Communications

If it is necessary for a coach or staff member to send a direct text message or email to a player, the following guidelines must be followed:

- A parent (or guardian) **must be** copied It must be signed so it is clear as to whom or what organization is sending the message.
- Just using the number or email address for identification is not sufficient.
- It should be non-personal and for the purpose of communicating information about team activities
- It should never include or contain offensive, sexual or inappropriate language or photos
- The time of day and the number of messages sent should be considered
Records should be kept of every coach's current cell number and email accounts

When a player feels the need to text or email a coach or staff member, the following guidelines must be followed:

- the purpose of communicating information about the team or club activities.

Education and Training Guidelines

The USA Hockey SafeSport Program provides training on abuse education and awareness. CAHA requires that local programs identify the required training in their Members SafeSport Program Handbooks. CAHA will provide a mandatory annual training to the Member SafeSport Coordinators. Coordinators shall implement required training for their Association or Independent Team members. This CAHA training will be offered starting with the 2013-2014 season and continue on an annual basis. At a minimum, the training will consist of the following topics:

- How to have all members of an organization fully understand the USA Hockey and CAHA SafeSport Programs
- How to provide team training of USA Hockey SafeSport Program to ensure all children understand the relevant aspects of the program
- Parent training around awareness
- Ways to making the USA Hockey and CAHA SafeSport Programs a priority
- Incorporating discussions of the USA Hockey and CAHA SafeSport Programs at organization meetings, staff training and staff evaluations

Locker Room Guidelines

GJHC wants all players to be safe on and off the ice. GJHC is also aware that the locker rooms provide a place where abuse and misconduct can occur. Players are particularly vulnerable in locker rooms due to various stages of dress and undress and because players are less supervised. Player to player issues such as sexual abuse, bullying, hazing and harassment often occur when players are not supervised.

Adherence to Locker Room Guidelines can reduce opportunities for misconduct and abuse. It will also allow for a fun and safe place for players while still holding to hockey traditions. GJHC asks that players and coaches follow USA Hockey and CAHA SafeSport Program guidelines at all times. Coaches are the only ones allowed to unlock locker rooms. Two coaches are required to be in the locker room with the door closed. If only one coach is available, they will position themselves at the door with the door open. Only coaches, managers, and athletes are allowed in the locker room.

GJHC requires all players and coaches to report to their Hockey Director any and all misconduct, abuse or violations immediately.

Player Behavior

- Locker rooms and showers should be used by same aged peers when possible, no mixed gender allowed.
- Opposite sex players should be provided separate changing and showering facilities.
- The showers are for showering only.
- No horseplay, urinating on others, physical contact, sexual activity or other forms of misconduct is allowed.

- No physical contact between players in a sexual nature is allowed.
- The locker room is not a place to criticize or humiliate teammates.
- Shower and changing at the club/organization are optional.
- No displays of affection

Coaches Behavior

- The locker rooms need to be directly monitored during all team events by one

responsible adult, approved and screened by the local organization.

- The adult should supervise conduct, observe behavior, and make sure only approved team personnel and family members are allowed in the locker rooms.
- If a coach needs to speak to an individual player in the locker room, the door must remain open or another coach or parent must be present.
- Coaches should have a separate place to change and shower.
- Coaches are never to be nude among players.

Hazing, Bullying and Sexual Harassment Guidelines

GJHC feels strongly that hazing, bullying, sexual harassment, initiation rituals and physical punishments are not permitted within the organization. **Any form of misconduct by the team, coach or an individual in an attempt to bond or take action against another individual or group of individuals, which results in abuse, harassment, intimidation or any form of degradation is not allowed by any player, coach, volunteer or member of GJHC.**

Players and coaches are also **required** to follow the USA Hockey and CAHA SafeSport Hazing and Bullying Guidelines.

Rules for physical contact must be set to reduce the potential for misconduct. Players, coaches, volunteers and organization members are required to follow these guidelines and to report immediately those who violate them.

Appropriate Physical Contact

- Physical contact takes place in public or in the presence of others

Responding and Reporting Abuse Concerns

GJHC believes it is the responsibility of all members, staff, volunteers, parents and players to report concerns of abuse or misconduct.

It is NOT the organization's responsibility to decide the credibility or validity of a report of concern, only the responsibility to report it.

The organization should not attempt to evaluate or investigate the report or be concerned with false reporting, but to respond appropriately and swiftly to avoid further distress to the victim. Everyone at GJHC is required to report any and all concerns regarding sexual abuse, physical abuse, emotional abuse, bullying, hazing, coach misconduct, player misconduct and any other forms of inappropriate behavior immediately to the appropriate investigative agency and Hockey Director. USA Hockey and CAHA SafeSport Program guidelines are to be followed when reporting and responding to abuse.

Reporting Policy

It is the policy of USA Hockey and CAHA SafeSport Programs that every employee or volunteer of any USA Hockey sanctioned program must report:

1. **Suspicious or allegations of child physical or sexual abuse.** They are to be reported to the appropriate agency, either law enforcement authorities or social services agency
2. **Actual or perceived violations of the USA Hockey and CAHA SafeSport Programs.** They are to be reported to USA Hockey, CAHA and Local SafeSport Coordinators.
3. **Any violations of CAHA policies prohibiting emotional abuse, sexual harassment, bullying, threats and hazing.** They are to be reported to the appropriate Member and CAHA SafeSport Coordinators.

Any report of misconduct or suspicions of child physical abuse or sexual abuse will be taken seriously and handled appropriately. All club members are to report concerns of abuse or misconduct to the GJHC SafeSport Coordinator who will take appropriate action. The actions of the SafeSport Coordinator will be documented and shared with the Hockey Director and the Board of Directors. A staff member or volunteer may contact law enforcement themselves and then notify the Hockey Director immediately.

A report must be made when the reporter suspects or has reason to believe that a child has been abused or neglected, or when the reporter has knowledge of, or observes a child being subjected to conditions that would reasonably result in harm to the child.

Concerns, suspicions or suspected "grooming" behaviors are to be reported immediately to the GJHC SafeSport Coordinator.

GJHC will conduct an investigation and/or disciplinary proceedings in accordance with

USA Hockey SafeSport guidance.

Responding to Concerns

- There are a number of reasons a person might need to report a concern:
- In response to something a young person has said to you - a disclosure
- In response to signs or suspicions of abuse In response to allegations made against an organization member, staff or volunteer
- In response to allegations made about a parent or someone not working within the organization
- In response to bullying or hazing In response to violating USA Hockey and CAHA SafeSport Procedures
- Observation of inappropriate behavior
- In response to anything that makes the reporter uncomfortable based on inappropriate behavior by an adult or player

It should be clear, even if the incident occurred outside of GJHC, it should still be reported to authorities. Know that authorities have professionals in interviewing child victims about abuse and it is not GJHC's job, so do not attempt to interview any child about a disclosure.

Always:

- Stay calm
- Reassure the person reporting concerns, that they have done the right thing
- Don't judge Listen carefully, take it seriously
- Write down exactly what the person reporting concerns says using his or her own words
- Ask open-ended questions only to clarify, who, what, where and when Let the person reporting concerns know you have to tell someone
- Report incident to appropriate authorities
- Let the person reporting concerns know what your next steps are and who you will be sharing the information with
- Fill out the appropriate forms

Never:

- Panic
- Show disbelief
- Project your own reactions onto the child
- Make promises you can't keep or assure confidentiality
- Make the person reporting concerns repeat information unnecessarily
- Delay in reporting to your supervisor and local authorities
- Make assumptions Approach the alleged abuser
- Take sole responsibility for the information you have

- Try to investigate the allegations
- Make negative comments about the alleged perpetrator
- Share personal information about you or your child Probe for more information

Record:

- Person reporting's full name, age, date of birth, home address and telephone number
- Any time, date or relevant information
- Who the concern is regarding
- Using the reporter's words, give an account of what happened
- Document any visible injuries
- Document your next steps
- Document date of time of informing the Hockey Director
- Document date, time and who you spoke to at the law enforcement or social service agency

Confidentiality

To the extent permitted by law, and as appropriate, GJHC will keep confidential the complainant's name on request, not make public the names of potential victims, the accused perpetrator or people who made a report of physical and sexual abuse to the authorities.

Immediate Suspension or Termination

When an allegation of abuse or misconduct is made against a staff member, player or coach, that individual will be removed from interaction with players immediately and the organization will cooperate with the investigation and conduct its own internal investigation, if necessary.

No one is assumed guilty based upon a reported concern, but player safety is paramount, therefore suspensions are appropriate until the investigation(s) is complete.

Hiring Guidelines

When hiring a coach, a staff member or volunteer person to work within the GJHC organization, we will include child sexual abuse prevention screening into the general screening process. This process is for all adults and youth who are looking for employment or volunteer positions within the organization. GJHC will not make exceptions for applicants familiar with the organization or who are past employees.

While no screening can identify every potential child abuser, you can reduce the risk by learning all you can about an applicant; most importantly their interest in working with youth. GJHC believes that SafeSport Program will deter coaches who may be at risk for abusing players from applying with the organization.

GJHC will follow USA Hockey and CAHA SafeSport Screening Programs, conduct background checks and check new hires against the National Sex Offender Registry List.

GJHC requires that all coaches, staff members, managers, and board of directors register with CAHA and USA Hockey every season. Parent volunteers, locker room monitors, team drivers, and travel chaperones will be screened at the local level, complete SafeSport training, and are not required to register with CAHA and USA Hockey.

Educate Applicants

- Share your child safe policy and procedures, including USA Hockey, CAHA and GJHC's SafeSport Programs, with all applicants. This will let them know the dedication to child sexual abuse prevention and might deter some applicants.
- Share all Codes of Conducts. Inform applicant that signature and full participation of the SafeSport Program is required.
- Ask if applicant has any problems with the SafeSport Programs or Codes of Conduct.
- Ask what type of supervision the applicant prefers to work under?
- Question the applicant with specific scenarios regarding child safety.
- Look for appropriate responses that fit your policy and procedures.
- Document commitment to SafeSport Programs

Questions for Potential Employees

- Describe what appropriate behavior around youth is, how should physical contact happen and
- what are appropriate adult/youth boundaries?
- Tell me about your relationship with children? Adults?
 - Here you are looking for healthy child and adult relationships.
 - Who does the applicant prefer to spend time with?
- What do you enjoy doing with children?

- Does the applicant describe doing normal activities with youth? Or does it appear excessive?
- How do you see your role in the lives of children in our program?
- Have you ever been disciplined for your behaviors toward children?
- Has anyone ever misunderstood or questioned your relationship behaviors with children?
- Is there anyone who might suggest you not work with youth? Why?
- Is there an age or gender you prefer to work with?
 - Having a specific age or gender can be a red flag. Ask follow up questions for clarification.
- What other hobbies and activities do you enjoy?
 - Does this include children or does she/he enjoy normal adult activities?
 - Does the applicant have adult relationships as well and enjoy adult activities?

Taking and Use of Photographic and Recorded Images of Players

GJHC wants to promote fun hockey activities and information about the organization and/or its players through photographs, recorded images and videos whether on our website or through print. To do this in a way that ensures the safety of players and members, GJHC has safeguards to protect inappropriate use of images or recorded images. (This includes the use of a camera, digital camera, video recorder, mobile phone or personal digital assistant device or other recording device.)

There are risks posed directly and indirectly through the use of photographs and recorded images. These images can be used as a means of identifying players thus leaving them vulnerable to people who wish to "groom" them for child abuse or possibly provide information to estranged parents. Also, the images themselves can be used, modified and shared among the offender population. To avoid misuse, GJHC requires the following guidelines be adhered to.

- Ask for parental permission prior to use of a player's image.
- Be clear with parents as to how the image will be used and stored (see parental consent form).
- Never publish personal data (email, phone, home address or other information) of a player without signed consent form.
- Only use images of players suitably dressed to reduce the risk of inappropriate use.
- When recording a player for teaching purposes or recruiting needs, care should be taken in storing such recordings and who they are shared with.
- Members should be vigilant and report any unknown individuals who are recording or photographing organization members.
- Members also need to report any concerns regarding inappropriate taking or publishing of photographs or recorded images.
- Report any violations.

Hiring a Professional Photographer

- Have the photographer sign the volunteer Code of Conduct and read this guideline.
- At large events, all parties interested in taking photos should register personal details with GJHC.
- Provide clear guidelines about expected behavior and content of the photography,
- Photographers must wear identification, provided by GJHC, at all times.
- Do not allow photographer unsupervised access to players or one-on-one photo sessions without parent permission.
- Do not approve photo sessions outside events or at a participant's home.
