To facilitate movement between Coppell teams and minimize changes between seasons, each Coppell player will be assigned a unique jersey number. Once a player is assigned a jersey number, they may keep that number for the duration of their time with CHSHA. For new players or returning players desiring a number change, numbers are assigned with the following priority:

1. Returning Player: Requests for number changes by returning players have priority over requests from new players.
2. Team: Varsity and then JV
3. Seniority: Years of continuous participation in Coppell Hockey.
4. Grade: Senior, Junior, Sophomore, Freshman, 8th grade, 7th grade.
5. Random chance: A Board member will conduct a coin toss or other random drawing for the number.
 - Numbers with asterisks above indicate numbers chosen by summer players—summer players may ask to continue with their summer number or request a new number.
