420

Optimist Dinghy

Class X Boat

420. 14' double handed, single hull sailboat with jib and mainsail. Preferred boat for high school and collegiate racing. Check out the class website at www.usi420.org. At the OLSS, we sail the “collegiate” version (without spinnaker), the version used in high school and college. The OLSS currently owns a few 420's. Suitable for sailors aged 11 – adult.

Optimist Dinghy. Sometimes referred to as the International Optimist Dinghy, or IOD. Its 8'6” long and sailed single handed. It's the worlds most popular boat. Great for learning, and also raced on Okauchee, as well as local (Waukesha), National and International competitions (regattas). Check out the website at www.usoda.org the OLSS owns 7 IOD's. Typically families race IOD's use their own boat. Used boats are plentiful, cheap and (if cared for properly) easy to sell. Suitable for sailors aged 7 – 12 who weigh less than about 100 lbs.

Class X boat. 16' double handed, single hull sailboat with jib and mainsail. Great for learning, and also raced on Okauchee, as well as local and regional events (regattas). Check out the manufacturers website at www.melges.com The OLSS owns two X boats which can be chartered. Typically families that race these boats own their own. Used boats are plentiful, cheap and (if cared for properly) easy to sell. Suitable for sailors aged 10-16 of any size.

Open to All Children Regardless of Race, Color, National Origin, Religion or Sex
