ACA Optimist Club Sponsorship Packet

Our Home, Our Community, Our Foundation

Thank you for considering an ACA Optimist Club sponsorship. The Arlington Community Athletics Optimist Club, (ACAO) is a fast-growing recreational youth football / cheerleading program founded in 1964.

As our ACA Optimist Football Season kicks off, we are still humbled by the generous donations from individuals and businesses within our community. Those generous sponsors fund our scholarship program, which allows us to provide aid to low income families whose children would not otherwise be able to participate. Our wish is to have enough sponsors to fund the scholarship program and to help offset the operational expenses of running the football and cheerleading programs, which in turn would allow us to reduce the cost to all families.

We are a 501(c)4 not-for-profit organization and 100% run by volunteers. We strive to provide hope and a positive vision, while bringing out the best in the youth of our community. We inspire to be inspired by optimism, utilizing the tenants of the Optimist Creed, to promote an active interest in good government and civic affairs; to inspire respect for the law; to promote patriotism and work for international accord and friendship among all people; to aid and encourage the development of youth in the belief that the giving of one's self in service to others will advance the well-being of humankind, community life and the world. We pride ourselves on being a family oriented, multi-generational league. We encourage you to take a minute and tour our website: www.acaoptimistclub.com

The ACA season runs from August to November, including practices, games and playoffs, with an emphasis on sportsmanship, leadership, mentorship, safety and full participation. We offer a recreational program and encourage teamwork, pride, and scholastic achievement. We also offer offseason clinics, camps, and a football combine.

The ACA Optimist Club invites you to become a sponsor of this wonderful league. When you become a sponsor, you are taking an active role in the development of the youth in our community. ACA Optimist Club is not subsidized by any local school districts. 100% of our fundraising dollars go directly into our program to purchase equipment, uniforms, indoor cheer facilities, as well as funding our game day activities and operating expenses. As a sponsor, your name or company will be seen not only by the families in our community, but the surrounding communities as well. We are grateful to every single person who sponsors this league and appreciate all they do to make this program possible.

If you have any questions regarding sponsorship of this exciting program, please contact Angela Espinosa @ espinosafamily6@yahoo.com or 817-226-5761
