

*ACYBA House Parents
Meeting 2020/21*

Welcome to the 2020/21 Season

AYBA President:
Kpormah(Puma) Rennie

House Commissioner:
Lilian Chumba

Teams: 10

Girls	No. of teams
3/4 grade	1 team
5/6 grade	1 team
Boys	No. of teams
3/4 grade	3 teams
5 grade	1 team
6 grade	1 team
7 grade	1 team
8 grade	2 teams

Parents Code of Conduct

1. I will behave with sportsmanship, demonstrating positive support for all players, coaches and officials at every game, practice or event. I will support my child and teammates during a game with encouragement, leaving instruction to the coaches. I will require my child to treat other players, coaches, fans and officials with respect at all times.

2. I support and will explain to my child the “3 strikes – you’re out” policy that all players/parents are subject to. (The policy says that disrespectful behavior by players or parents to teammates, coaches, opponents, parents, fans, officials, etc., will not be tolerated. Upon the 1st and 2nd occurrence, the violator will be suspended from games and practices for 2 weeks. Upon the 3rd occurrence, the violator will be permanently suspended from the team and the program for this year and future years.)

3. I will support the association “playing time” policy of guaranteeing each traveling player 1/3 of each game over the course of the season and each house player ½ of each game (subject to playing time reductions for absences or behavior problems).

AYBA COVID-19 Plan

- ❖ Armstrong Youth Basketball Point Person – Puma Rennie @ kpormahr@gmail.com
- ❖ NWML (5-8 grade): **Covid19@omgba.net**
- ❖ We will be following the Decision Tree developed by the MDH.
- ❖ Hand hygiene, masking, physical distance, self-monitoring, staying home when sick and reporting are fundamental to this.
- ❖ **WHEN IN DOUBT, PLAYERS SHOULD STAY HOME.**

Self-Monitoring

- ❑ Do you have a temperature of 100.4(F) or higher?
- ❑ Do you have a new or worsening cough today?
- ❑ Do you have any of these other CDC-recognized symptoms:
 - Shortness of breath or difficulty breathing
 - Fatigue
 - Muscle or body aches
 - Headaches
 - New loss of taste or smell
 - Sore throat
 - Congestion or runny nose
 - Nausea or vomiting
 - Diarrhea

More common: fever greater than or equal to 100.4o F, new onset and/or worsening cough, difficulty breathing, new loss of taste or smell.

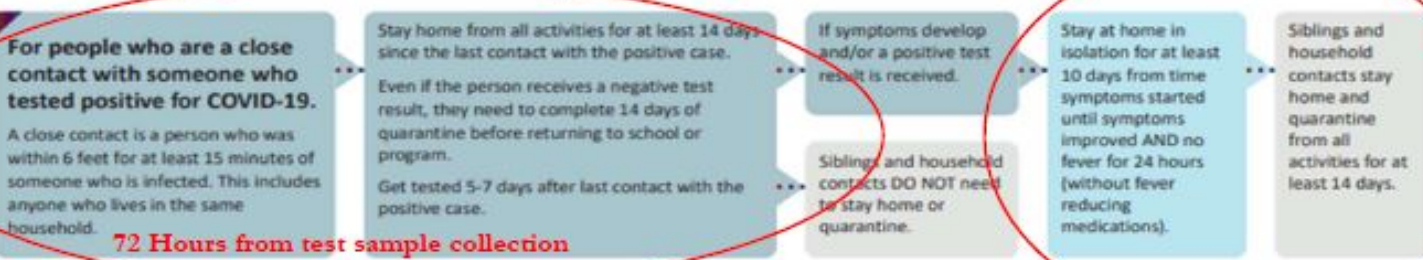

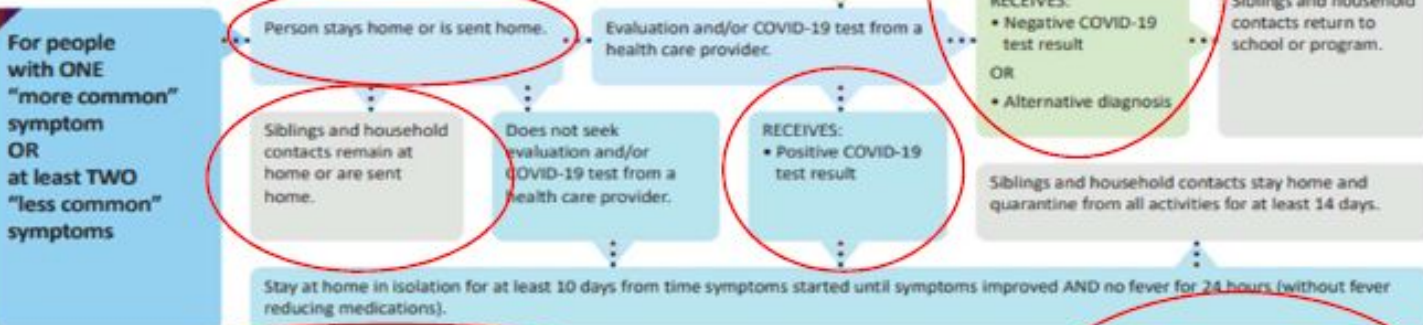

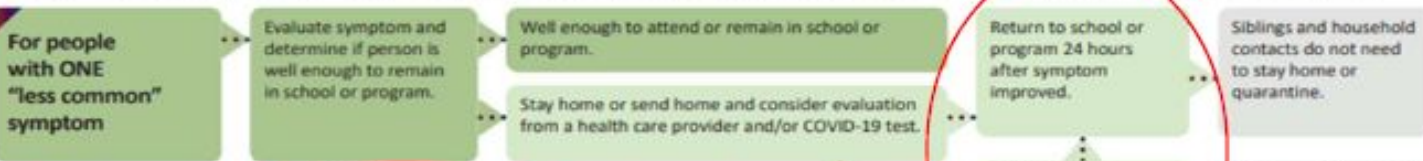

Less common: sore throat, nausea, vomiting, diarrhea, chills, muscle pain, excessive fatigue, new onset of severe headache, new onset of nasal congestion or runny nose.

COVID-19 Decision Tree for People in Schools, Youth, and Child Care Programs

Follow the appropriate path if a child, student, or staff person is experiencing the following symptoms consistent with COVID-19:

- **More common:** fever greater than or equal to 100.4°F, new onset and/or worsening cough, difficulty breathing, new loss of taste or smell.
- **Less common:** sore throat, nausea, vomiting, diarrhea, chills, muscle pain, excessive fatigue, new onset of severe headache, new onset of nasal congestion or runny nose.

Practice

Coaches:

- Perform self-monitoring
- Wear Masks
- Record attendance
- Track practice
- Enforce hand hygiene, physical distance and masking as needed.

Players:

- Bring own ball and water.
- Wear a mask into and out of the facility.
- Masks not required during active practice but needed when in close contact with other players e.g. to talk or as subs during scrimmage.
- Players who wish to wear masks during practice are welcome to do so at will.

Parents:

- Perform symptom check before each practice.
- Drop off players at the door. Do not enter the building.

Others

Waivers:

Please send me a signed waiver if you have not yet done so.

Dibs check:

We will not be collecting the \$200 check this year.

Communication:

Team related stuff- Coaches

General league stuff- Commissioner

COVID-related stuff- President
