

## TVC Fall League Play

### Warm-up

- We will have four ball carts of 12 balls each for warm-ups.
- First match warm up is 1 minute shared ball handling, 2 minutes serving team, 2 minutes receiving team, 1 minute shared serving, then consecutive matches for the same age group will not have a warm up.

### Matches

- Each team is guaranteed two matches/night. Matches consist of two sets to 25 points. Cap at 27.
- We will provide a Referee and ask that each team provide a parent line judges for the match & a parent scorekeeper for Junior High and Middle School.
- While we will keep no book, we ask that subs be signaled for and exchange in the sub zone in front of the 10' line.
- Liberos are allowed but can still only serve in one rotation spot.
- Each team will have two timeouts per set.
- Serving for Middle school (short service line as marked) and Youth may start inside the court or short serving line in a manner in which the coach deems appropriate for their success but does not offer an "unfair" advantage. Youth: after a player's third consecutive successful serve, the other team will rotate and receive possession of serve.
- Net heights are as follows: Youth 6'0"; Middle School 7'; Jr. High 7'4 1/8" Or Youth: 3 holes showing, Middle: 5 holes showing, and Jr. High: 7 holes showing.
- Youth is 4 v4 and court dimensions are 29'6 long and 14'9 wide, half of a normal size court.
- Please keep score on score sheets accurately, report to Amanda Wilson at scorer's table after each match.

### Referees

- We have high school and collegiate players reffing. They have been instructed to call serve, point, in/out, and number of contacts.
- Referees will call for a "captain" for the coin flip. Winner picks serve/receive and loser can pick side of the court.
- Please be courteous and patient as referees are learning too. If there is an issue, please encourage coaches to handle with care and discretion.
