PLAYER DEVELOPMENT PROGRAM

**100% FOCUS ON
INDIVIDUAL FOOTSKILLS
- THE FLICKS, TRICKS
AND MOVES!**

The most successful youth players throughout the world all receive regular well planned Training Sessions which follow a consistent philosophy to develop their players.

With no emphasis on winning, our practices only have one goal, and that is to develop and improve each individual both on and off the field! All our practices are taken from our Developmental Curriculum that has been designed by experts from around the world as we highlight the skills and needs for each Academy Phase of Development.

All players receive a 1-hour training session per week for 6 weeks. Registration is separate for Monday & Wednesday sessions. All player must bring their own ball & water bottle.
