

Dear BBLYHA Board of Directors,

I would like to express my interest in running for membership of the Becker/Big Lake Youth Hockey Association Board of Directors in the upcoming 2020 elections.

As you know, I am currently serving out a one-year term as the Director of Operations and have served the prior two years as a non-voting member managing equipment.

My son is finishing his fifth year playing in the association. It would be my pleasure to continue to offer my help by serving on the board for another term.

Thank you for your consideration.

Theron Draeger
