MESSAGE FROM THE PRESIDENT

Welcome to the 25th Anniversary of the Breakfast of Champions, celebrating the outstanding achievements of Hamilton athletes, teams and coaches for the 2025 season.

On behalf of the SportHamilton Board of Directors, it is my honour to congratulate the Provincial champions, National and International competitors, as well as the Outstanding Special award recipients acknowledged here today.

Congratulations on your commitment to hard work, striving for excellence, displaying good sportsmanship and giving back to your community. These are all valued traits of champions. Continue to be leaders and inspire the next generation of champions.

Thank you to our partners, the City of Hamilton, for their continued support, Mayor Horwath and City Council, Healthy and Safe Communities Department and Recreation and Sport Divisions. Thank you to our generous sponsors for helping to make this day a success. Special thanks to all the volunteers and SportHamilton board members for your time and effort in making today possible.

Hoping you enjoy today's celebration, be inspired by others' accomplishments, congratulate each other, but most of all, have fun.

Wishing you all continued success on your personal and sport pathway in the 2026 season, and hope to see you next year.

Proud to call you "Homegrown Champions!"

A handwritten signature in black ink, appearing to read "H. Downey". The signature is fluid and cursive, with a large initial "H" and "D".

Helen Downey
President, SportHamilton
The Official Sport Council for the City of Hamilton

The Office of
MAYOR ANDREA HORWATH
CITY OF HAMILTON

December 1st, 2025

On behalf of the City of Hamilton, it is my great pleasure to welcome you to the **25th Annual Breakfast of Champions** — a true milestone year for this beloved community tradition.

For a quarter century, this event has celebrated Hamilton's *homegrown champions* across every sport, age group, and ability. Today, we honour the athletes, coaches, and teams who have reached the podium at the provincial level, competed on the national stage, and represented Canada internationally with pride — all while carrying the spirit of Hamilton with them wherever they compete.

This year's anniversary gathering is especially meaningful. Twenty-five years of recognizing excellence, perseverance, and dedication speaks not only to the strength of our athletes, but also to the passion of families, volunteers, local organizations, and our entire sporting community who help nurture talent from the ground up.

I want to extend my sincere thanks to **SportHamilton** for its unwavering commitment to championing athletic development and celebrating local achievement. Year after year, your leadership, partnerships, and advocacy strengthen the fabric of our community and help ensure Hamilton remains a place where young athletes can chase big dreams.

To all the athletes being recognized today — including those who proudly represented Hamilton at the **2025 Canada Summer Games** — your hard work and determination inspire us. Your success is Hamilton's success, and we couldn't be prouder. To your coaches, trainers, families, and supporters: thank you for everything you pour into our athletes and into this city.

As we mark this 25-year milestone, let us continue to support and uplift our athletes as they strive toward new heights. Their achievements remind us what is possible when talent, passion, and community come together.

Mayor, City of Hamilton

MEDALLION PRESENTATION

CLOSING REMARKS

Ed Valtenbergs, Vice President SportHamilton

SPECIAL GUESTS

ALEC PURNELL is a lifelong member of the Hamilton running community, having joined the Hamilton Olympic Club in grade 3 and competing through grade 12. Alec completed his undergraduate degree at the University of Guelph, where he became a standout middle-distance runner, earning multiple OUA and U SPORTS medals. He is now pursuing a Master of Science in Psychotherapy at McMaster University and competed with the Marauders track and field team in his final year of eligibility.

Alec is one of Canada's top middle-distance athletes. A sub-four-minute miler (3:58.57), he won the 2025 U SPORTS 3000m title, earned silver at the National Road 5K Championships, and is a three-time Canadian Track and Field League champion. This past summer, he represented Team Canada at the World University Games in Bochum, Germany, advancing to the semifinals in both the 800m and 1500m.

KEVIN REMPEL is a World Champion, Paralympic Bronze medalist in sledge hockey, and a speaker who knows what it means to fight your way to the podium. After a freestyle motocross crash left him paralyzed, doctors told him he might never walk again. A year later, he proved them wrong, learning not just to walk, but to compete for Canada on the world stage.

Through his journey from injury to the Paralympics, Kevin discovered that choosing the right mindset is the key to getting back up again and again. Today, he helps athletes and teams find purpose beyond the podium, embrace change, and build a mindset that wins in sport and in life.

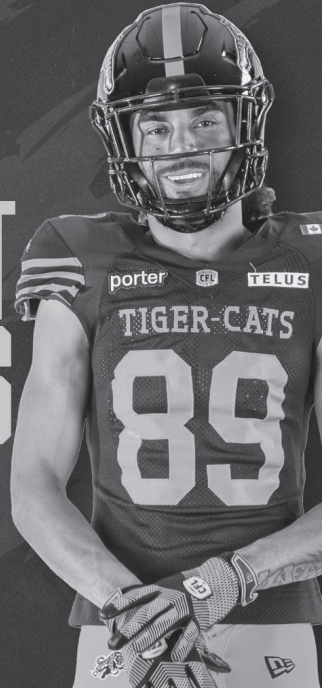

Kevin's story is a reminder that no matter what challenge you face, there's always a way forward if you're willing to do the work and believe that your best days are still ahead.
