**New Business:**

1. New Hockey Director - Rob Girard comes from Florida. Coached AAA. Uniform coaching plan starting with Squirts through Midgets. Rob will oversee all aspects of tryouts and ratings. Ratings per player and will include house kids. Goal is to develop players to meet a base standard.

Platform for coaching/practice plans will be transitioning to CoachThem. Focus on developing coaches before developing individual players.

Power Player database for testing, but there is a cost that will need to be absorbed in travel fees. Practice plans would adjust to results imputed into Power Player.
