In the report, he highlighted all of the camps, clinics and grassroots initiatives currently undertaken by Baseball PEI, the success of PEI teams at regional and Atlantic competitions, the need for associations to work hard in the offseason to ensure they are ready for growing numbers in the spring of 2019, the need for more work between Baseball PEI and the PEIBUA and the position Baseball PEI is in going forward in terms of organizations and planning.
 - Motion to approve Report by Andrew Cameron; seconded by Darrel Kirev. **Motion Passed.**
 - b. Finance Report: Walter spoke to the secure finances of Baseball PEI, which have been boosted in large part thanks to an increase in membership dues and the Blue Jays Getaway fundraiser. The extra money is being spent wisely in several initiatives, many of which are camps for coaches and players. Also, he spoke to the review engagement of Baseball PEI's finances in 2017-2018 done by MRSB.
 - Motion to approve Report and the review engagement by MRSB of Baseball PEI's 2017-2018 finances by Spencer Myers; seconded by Janet Cameron. **Motion Passed.**
 - c. Skill Development Report: Spencer Myers discussed all of the clinics and camps Baseball PEI accomplished over the past year, some plans for camps and clinics during the upcoming year, and the idea of a recruitment/travel teams to play showcases in the U.S. to get our athletes seen by U.S. scouts.
 - Motion to approve Report by Spencer Myers; seconded by Darrel Kirev. **Motion Passed.**

 - e. 11U Competitions Report: Darrel Kirev presented a detailed report on the happenings of the 11U “AAA,” “AA,” “A” and 9U leagues in 2018. It outlined the positives that took place in these leagues and some rules and policies that should be looked at going forward into 2019.
 - Motion to approve Report by Darrel Kirev; seconded by Shawn Adams. **Motion Passed.**
 - f. 13U Competitions Report: John Munro spoke to the Provincial and Elimination champions in the 13U “AAA,” “AA” and “A” leagues, how the seasons went at these divisions, and some challenges posed in these leagues and suggestions for improvement.
 - Motion to Approve Report by John Munro; seconded by Desi Doyle. **Motion Passed.**
 - g. 15U and 18U Competitions Report: Randy presented the report on behalf of the absent Allison Macdonald. In this report, Allison gave his report on 15U and 18U competitions, outlining the champion teams and how the seasons went for teams in these divisions. Allison noted much of the season was positive, but there are still areas that need to be examined – getting games played in a timely fashion, and some discipline issues with some teams – over the winter, and presented a couple of recommendations for 2019 and beyond.

From this report, there was a discussion about the Stratford team forfeiting their quarterfinal game at the Provincial 18U “A” Championships, and the problems that caused (giving an advantage to the teams they were supposed to play). The thought amongst the group was that perhaps more deterrent should be posed to teams and associations that do this type of thing; how far that deterrent should go is something few are sure about at this time.

 - Motion to approve Report by Spencer Myers; seconded by John Munro. **Motion Passed.**
 - h. Coaching/NCCP Report: Desi Doyle gave his report, and it discussed the excellent year in NCCP coach certification on PEI – with numbers from each clinic – and progression of several coaches along with their path to certification.
 - Motion to approve Report by Desi Doyle; seconded by Spencer Myers. **Motion Passed.**
 - i. Umpires’ Report: Kent Walker presented his report to the room, stating it was a good year for the PEIBUA. Numbers were up – thanks to getting the message out that more umpires were needed in the media – plus the PEIBUA hosted MLB umpire Stu Scheurwater and WBC umpire Trevor Grieve in a clinic early in 2018. Other positives were more umpires from PEI than ever umpired at Baseball Canada National tournaments and the PEIBUA is, going forward, in a good position in several respects.
 - Motion to approve Report by Kent Walker; seconded by John Munro. **Motion Passed.**
 - j. Executive Director’s Report: Randy Byrne touched on the overall success of the 2018 season, Baseball PEI’s growth and success at the regional level, and the development of many players on PEI to play at higher levels. He also mentioned the need to improve the umpiring situation – in terms of getting games covered – plus need for growth in infrastructure and creativity and innovation from associations.
 - Motion to approve Report by Shawn Adams; seconded by John Munro. **Motion Passed.**
8. Walter MacEwen submitted the financial forecast for the rest of the 2018-2019 fiscal year and a proposed budget for 2019-2020.
 - Motion to approve the 2019-2020 budget by Margo Robertson; seconded by John Munro. **Motion Passed.**
