### **Player Participation Fees**

A player can only attend BHC tryouts if they have paid the current registration fees in full and are in good financial standing from past seasons regardless of association (if transferring into or out of BHC, a CAHA Financial Release is required). The registration and season fees are non-refundable if the player is provided a roster spot on a Boulder Hockey Club or Lady RoughRider team – BHC offers many different levels of play to accommodate all ability levels. BHC teams play within the College Prep Hockey League (CPHL), Colorado Competitive Youth Hockey League (CCYHL), and Colorado Recreational Hockey League (CRHL), or as an independent team.

Players who receive a roster spot are responsible for paying their player season fees – **no exceptions**. Players who have not paid their season fees will be ineligible to participate in practices or games until their outstanding balance has been paid in full (this rule shall be enforced at the discretion of the Hockey Director). BHC will not sign a CAHA Financial Release form for ineligible players.

### **Scholarships**

Boulder Hockey Club and its Board of Directors offer opportunities for scholarships. For more information, please contact Greg Sodbinow ([Sodbinow@BoulderHockeyClub.com](mailto:Sodbinow@BoulderHockeyClub.com))
