Biscuit -

Nicky -

3 designs for WS jerseys, email to be send out tonight 7/16/18, one week to vote...winning design announced on 7/23/18; ordering to follow; going through Lazer Sports via Jimmy; will post on league page about WS jersey.

Mingo -

Dine Out for Life: 7/24/2018 (Kevin read off participating restaurants)

Dave -

Fall League structure, merge teams?; Talked about merging teams in the past, teams will have no names and having it structured by colors, LVGSL used to be smaller and everyone would hangout with each other after games, as LVGSL grew, no one really hangs out; Want to build more friendships and be more “one”; Everyone will be mixed and build relationships with more people than the same group; With more relationships, maybe more people would want to join the Ratings Committee; DISCUSSION w/room. KEVIN- proposals: one week, whole season, one division try mash up? B/C division would be mixed and D will mix within D Division; DAVE: does D Division want to do this? (D Division coaches voted NO) D Division coaches do not want to have Fall Season mixed; BISCUIT:

proposing “All Star Weekend” versus having a mix...Atlanta tired this before and a separated league was formed; KEVIN: C coaches voted 6 to 3 for the entire season; JULIE: issue with fields and C Players that coach D teams would be away from their C team and team they coach; KEVIN: send email to all C/B players to ask about mix up – no change to D Division.

RICHARD – NEON CLASSIC

Thank you for passing out flyers; some teams registered; sponsorship packets available to help sponsor the tournament; Women teams needed for Womens tournament play; contact Richard and Brett; please register your teams; A/B Division teams – 3 needed for A & 3 needed for B; 4 needed for C; 4 needed for D; out of town teams are entered – need more LVGSL teams to register; Richard requests to please refrain comments about other teams from other leagues on social media.

TYLER

Re-ratings for C/B at Tylers house went well; 2 comments: nothing decided until after WS; took 4 hours to rerate each player...there will be a handful of re-ratings depending on outcome of rerated players; “PRELIMINARY” some ratings will be rerated; new ratings not released until after WS as nothing is finalized.

Randy

Thank you C/B coaches for attending; D division rerating at Randy’s house – email will be sent out; Aug 12 for D division; Rany encouraging for 1 person from each team to participate in the rating committee; C Division only has 1 team on Ratings Committee... contact Randy

BISCUIT

Purpose on rerating meetings to make foundation for Spring 2019; we need people for rating committee, may benefit if your team enters a tournament and person understands protests/ratings; DAVE: agrees with Biscuit and explains benefits; TYLER: ratings are very controversial, benefit having people from all teams to explain and to minimize mystery of ratings; DAVE: emphasizes on Tyler; RANDY: shout out to Sally for making it easy for rating committee, she is non LGBTQ and her husband plays; please talk to your players and help encourage to join Ratings Committee; PATRICK: good experience with meeting with rerating; KEVIN: no official word on rating; BISCUIT: E division may not happen, nothing is finalized.

KEVIN

Food for thought: allow coaches and committee on rating committee; proposing not to have a cut off for who is rating.
