Sponsorship Opportunities

“Our Team, Our Town”

Downingtown West Ice Hockey Club (DWIHC) is a self-funded club that provides competitive scholastic ice hockey for Boys and Girls at the Elementary, Middle School and High School levels. DWIHC is a non-profit organization, and our 501(c)(3) **Tax ID is 75-619618**. The club has achieved tremendous growth and success in recent years. We have offered financial hardship scholarships, and our Alumni donations has allowed one full scholarship for a Senior. Our goal is to continue this tradition of success while making the sport available to all athletes choosing to play hockey for their school.

We are reaching out to the community, asking for sponsors that will make a positive difference in our program. Your generous contribution will help alleviate the financial burden to our current families as well as make scholastic hockey more accessible to new players. Specifically in 2024, the funds will help families maintain the amount of ice rented even with the increasing prices of ice fee. We believe hockey is for everyone and cost should not deter anyone from playing
