

ERIC GREGORSKI - CANDIDATE FOR VP OFF ICE

SHAW Families,

I am Eric Gregorski and I am asking for your vote for the VP OFF ICE position. For those families that don't know me, I would like to take a moment to introduce myself. I along with my wife Theresa, are proud hockey parents of two skaters. Tyler is our oldest and just finished up his first year of High School hockey and Kaleb has just completed his first tour of duty as a Bantam. We have been with SHAW since 2008 and started in Devos. The boys have been on all levels during this time including A, B, and C teams. Before that, my nephew also skated with SHAW and got my boys hooked as he played through his high school years. I have been around the organization a long time and have made a lot of friends and have learned the ropes along the way.

I believe that my experience during my time here at SHAW has helped me for this role. Over the years of being with the organization, I have been scheduler for 2 seasons, and manager for Bantam A and held this position of VP Off Ice the past two years. We have had the greatest number of skaters this past season My responsibilities have included verifying rosters, coach's certifications, and working with WAHA. I would love to continue to be a part of the Executive Board so I can see this organization improve and grow. I think that I am a very fair and impartial person and will take the time to listen when and if any issues arise. I have built many relationships with parents, coaches, and managers at SHAW and at other organizations.

In the end, it is all about the kids and if we can make their hockey experience one to remember, then we have done our jobs. I think that my dedication and commitment to this organization makes me a great candidate for the role of VP OFF ICE. So please send your vote my way! Thanks for your time!

Eric Gregorski
